"Among the vulnerable for whom the church wishes to care with particular love and concern are unborn children, the most defenceless and innocent among us. Nowadays efforts are made to deny them their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this....Precisely because this involves the internal consistency about the value of the human person, the church cannot be expected to change her position on this question.... It is not 'progressive' to try to resolve problems by eliminating a human life..." Pope Francis EG #213-214.

1. Be still for the presence of the Lord the holy one is here
Come bow before him now
With reverence and fear
In him no sin is found
We stand on holy ground
Be still for the presence of the Lord
The holy one is here

Be still for the glory of the Lord
Is shining all around
He burns with holy fire
With splendour he is crowned
How awesome is the sight
Our radiant king of light
Be still for the glory of the Lord
Is shining all around

Be still for the power of the Lord
Is moving in this place
He comes to cleanse and heal
To minister his grace
No work to hard for him
In faith receive from him
Be still for the power of the Lord
Is moving in this place

2. Gifts of bread and wine, gifts we've offered, fruits of labour, fruits of love: taken, offered, sanctified, blessed and broken; words of one who died:

Take my body, take my saving blood.' Gifts of bread and wine: Christ our Lord.

Christ our Saviour, living presence here, as He promised while on earth: 'I am with you for all time, I am with you in this bread and wine.'***Take my body....***

Through the Father, with the Spirit, one in union with the Son, for God's people, joined in prayer, faith is strengthened by the food we share. ***Take my body....***
