Getting to Know Kindergarten Teacher ~ Julie Burg

Everything I need to know in life I learned in Kindergarten……
If you really think about it, it’s true. Kindergarten helps build the foundation in a child for lifelong learning, and the ‘people skills’ for cooperative play and work. It’s so important children experience their early childhood years filled with love, activities, and people that help to guide them into a future with a solid foundation, and a love for learning. THIS is why I wanted to be a Kindergarten teacher.
I chose to teach in a Catholic School because I feel I have a gift from God to impact and influence children. I am so thankful to our Lord for giving this gift to me, and allowing me to share it with His children. I believe my calling is to go above and beyond the curriculum seen in a public school; to teach so much more, and help my students develop an insight into God’s teachings, as well as build individual relationships with God.
When I’m not teaching Kindergarten, you might be able to find me on one of the area lakes. I love kayaking! I began when my three sons were young. Yes, our family has five kayaks. They’ve served us well for many years. The boys are all in their twenties now, but we still make sure we find the time for family activities.
When I’m not kayaking, you might be able to find me at the dog park in Nashotah. The female canine members of my family include Bella and Ginger, our two Cavaliers, and Sally our Golden Doodle. One thing you can be sure of; no matter where I go and what I do, I will most likely have my camera with me. Photography is big on my list of favorites. Children, animals, and nature make the best subjects! I am blessed… and the St. Joan of Arc Community is HUGE part of that feeling!

**VOICE OF THE POOR MINISTRY AND FRIENDS OF THE POOR WALK**

In addition to quietly and discreetly serving families in need in our Archdiocese, Vincentians also are concerned over the broader issues that affect the needy. Several years ago, the St. Vincent de Paul Society established a Voice of the Poor ministry to educate its members on legislative issues that impact the lives of the poor. Vincentians are urged to identify these negative impacts and share their concerns with those who legislate and administer programs to lessen the suffering of the needy.

**ST. JOAN’S Reads BOOK CLUB AND WE HOPE FOLKS FROM ST. CATHERINE’S WILL JOIN US TOO**

What Alice Forgot by Liane Moriarty is the book we will discuss on November 17. Alice awakes after an accident to find she has lost ten years of her life. She doesn’t recall her three children, her change in life style and her estranged marriage. Will she get her memory back, and how does she cope with living this new life?

I Am Malala by Malala Yousafari, with Christine Lamb, is our discussion book for January 19, 2016. Malala was ten years old when the Taliban took over control of the region where she lived. Malala was one girl who stood up for education, and consequentially shot for her work.

Please read the book(s) and join us for the discussion. We meet at the Waukesha State Bank (downstairs), across Hwy 67 from the Pabst Farm Pick and Save. We meet at 10 a.m. If you purchase either book at Book & Co. tell them it is for our book club and receive a 15% discount on the book(s).

**THE ST. CATHERINE HANDBELL CHOIR NEEDS YOU!**

Have you ever played piano or another instrument? If so, we’d like to meet you! Because of busy schedules and a couple job relocations among our membership, we currently have several open spots in our Handbell Choir. If you have a basic understanding of how to read music, please consider checking us out. We’ll teach you the rest! Join us for an “Open House Rehearsal” at our regular rehearsal time, Thursday, September 24, 5:45-6:45 PM in church, or contact Steve Johnson at the parish office for more information.

**DON’T FORGET TO JOIN US FOR THE 3RD ANNUAL “SOLES FOR CATHOLIC EDUCATION” WALK**
