Mission Statement

“We, the family of St. Paul Parish, live the gospel message of Jesus Christ through worship, education and outreach to all ages. We strengthen our parish and community, respecting our rural traditions, while welcoming the growth and cultural diversity that awaits.”

Do you believe that people get what they deserve? Consider what the scriptures tell us. God gives life to all of us. His grace and abundance is given to everyone and the only question is whether we will accept what He gives. It is not a matter of “earning” the gifts and blessings we receive. If we believe all we are and have is God’s gift, we also realize that without God we are nothing. That in turn, helps us to recognize our connectedness with others—the rich and the poor, the wise and the foolish, the respectable and the outcast—they are all our brothers and sisters and we need to care for them as Christ would.
