Happy Feast Day!
Happy Feast Day, St. Francis of Assisi Community! While we always celebrate our Fall Festival on the first weekend of October, this year is extra special because October 4th is the actual feast day of St. Francis of Assisi and because this year marks our 35th anniversary as a parish community. The prayers and readings at our Masses are special this weekend as we celebrate our founding. The spirit of joy will be manifest as we eat, play games, and rejoice with one another at our Festival. I look forward to seeing you all on the church grounds this Sunday. And remember to bring your pets for the Blessing of the Animals at 3:00 pm!

Pope Francis Takes America by Storm!
What a great blessing the visit of the Holy Father has been for our country! I think many of us felt so proud of our faith, our church, and of each other as Pope Francis made his way through Washington, New York, and Philadelphia. He not only spoke powerfully and in very moving ways, but even more, his attention to the poor, the sick, and the disabled in the crowds of people who surrounded him also “spoke” the Gospel message to all who could see. An interesting side note was that, in the day and a half he spent in New York City, no major crimes were reported to have occurred! None. I heard one news commentator suggest that the Pope move to New York as a way of settling everyone down!

Our task, after his visit, is to continue to give flesh and bone to the Gospel message of Jesus Christ through our prayer, our good intentions, and our good actions for each other. Our task is to recognize the presence of Jesus in each person we meet along life’s journey, whether they be rich, poor, black, white, brown, healthy, sick, or disabled. Whoever they are, and whatever their condition of life, each person is a brother or sister in Christ. In this way, where the human is touched by the divine, the whole world can become a better place.

The great G. K. Chesterton once said that the problem wasn’t that Christianity had been tried and found wanting, but that Christianity had never really been tried at all! Well, let’s give it a try!

A week ago, I asked you to think about one small act of humility you could do, and then to carry it out! Did you do it? In honor of Pope Francis, and as we approach the Year of Mercy, please think of one kind action, one small act of humility or service you can do each day. If we start with small steps, we can then grow to take larger ones. And when we learn to take larger steps, we can then learn how to run! Through Christian humility and mercy, we can change the world!

Candidates must hold at least 30 credit hours in Communication, English, Marketing, or related field and must be proficient in Adobe InDesign and Photoshop. “A marriage is not successful just because it endures; quality is important. To stay together and to know how to love one another forever is the challenge. What comes to mind is the multiplication of the loaves: for you, too, the Lord can multiply your love and give it to you fresh and good each day. He has an infinite reserve! He gives you the love that stands at the foundation of your union, and each day he renews and strengthens it. And he makes it ever greater when the family grows with children. Ask Jesus to multiply your love. Spouses can pray, ‘Give us this day, our daily love,’ for the daily love of spouses is bread, the true bread of the soul.”

Sacrificial Giving Thought of the Week

Sacrificial giving asks only a percentage of income. Many people find that when they trust God and return a certain percentage of their income to the Church and other charities, they can live adequately on the rest of their income.

Registration also allows the parish to provide an annual contribution statement for members’ federal tax purposes. Registration enables the parish to more accurately track membership growth for budgeting and planning needs. Parish registration has multiple mutual benefits. The parish provides letters of recommendation and permission to members who wish to be godparents or wish to receive sacraments at other churches.
