ANNUAL PARISH PICNIC
SATURDAY, SEPTEMBER 26TH
This year’s St. Albert the Great Parish Picnic is scheduled for Saturday, September 26th following the 4:30 pm Mass. We’ll have a dunk tank, photo booth, children’s games, BINGO, the OSU football game on the big screen and much more! We’ll be serving fried chicken, hotdogs, baked beans, chips & bottled water. Bring some chairs and a dish to share! It’s fun for the whole family!

CHANGE OF TIME FOR FRIDAY CONFESSIONS
BEGINNING OCTOBER 2nd FRIDAY CONFESSIONS WILL BE HEARD AFTER THE 12 NOON MASS - NOT BEFORE AS IN THE PAST.
ALSO, AS IS OUR CURRENT PRACTICE, SHOULD WE HAVE A FUNERAL SCHEDULED THAT DAY WE WILL NOT HAVE CONFESSION.
In today’s gospel we hear, “Along the way he asked his disciples, “Who do people say that I am?” In our session today we begin the discovery of what Christians say about Jesus and their beliefs concerning him. This time of inquiry is first to answer the questions of those God has gathered but the foundations of our faith are also presented as we wind through the liturgical (and secular) year. Our Foundations in Faith manuals help us clarify important topics.

“What is a Profession of Faith? ... A creed concisely states the most central beliefs held by an individual or community. It implies commitment. ... The term “creed” derives from the Latin credo, which means “to put one’s heart into something” or “to give oneself to someone or something.” This is not the time for the inquirers to make a profession of faith but as part of a ‘suitable catechesis’ they need to know about it.

I am writing this after the funeral of Jon Roalef, 26 years old, who made his profession of faith at the Easter Vigil this year. These are the times that we realize that the creed deeply rooted in our hearts will guide us to healing and hope, but remember in the end it is our relationship with Jesus, the word made flesh, that leads us into eternity and the fullness of the Kingdom of God. Rest in the Peace of God, Jon.

**Holiday at Home Parade Fun!**

Many thanks to Fr Chris, Principal KIrry and all the people who walked in and cheered us on at the Holiday at Home Parade on Labor Day!!
Jesus asks the question, “who do you say that I am?” Peter responds, “You are the Christ (anointed one)”. Much is made about the fact that Jesus orders the disciples not to tell anyone that He is the Christ. Scholars call this “the messianic secret” in Mark’s Gospel.

Presumably, the disciples followed Jesus’ order not to reveal His identity until after the resurrection. It is only Jesus himself who would reveal this secret. When He is standing before the chief priest the night before He was crucified, Jesus admits to being the Christ – the Messiah. While the Jews were expecting a military messiah – someone who would be a just worldly leader. Jesus would be a different kind of messiah. He would usher in a new world and a new kingdom. Jesus would open the gates of heaven and give us all hope in eternal life. We are called to bear witness to this reality. It can no longer be a secret.

...Fr. Chris

Dayton Catholic Women's Club

All women of the parish are invited to attend coffee and donuts on September 20 after the 8 and 9:30 am Masses or to stop in the Gathering Space after the 4:30 pm Mass on Sept. 19 or after the 11:00 am Mass on Sept. 20 to learn more about the Dayton Catholic Women's Club.

Parishioners who are members of this long established organization will be present to share information about their many social and charitable works throughout the Dayton area.

For more information call our parish representative, Pat Rau at 238-7171

DO YOU HEAR WHAT I HEAR?

St Albert the Great Parish has received a very kind and thoughtful gift from a parish family for those who have hearing aids and still have difficulty hearing the prayers at the altar, the Readings, and the Homilies.

To use this device contact your audiologist to see if your hearing device has a device called a T-COIL or TELECOIL built in so that you can benefit from this the hearing loop in our church. Your audiologist may have to activate this built in device. Hearing Loops broadcast sound without the background noise or reverberation.

For questions about your hearing loops visit www.hearingloop.org or www.brownaudioservice.com

Update on Parish Projects

This week we will begin repairing and updating the south roof and air conditioning of our church. We have gone through the bid process and three local contractors were approved — Detmer Heating & Air Conditioning, Enterprise Roofing and Stymco Construction. The Archdiocese approved the above, contracts are signed, and we are well on our way.

The first thing you will see is the removal of the decorative “fencing” by Stymco Construction on the roof and over the Gathering Space, which should start this week. Then, Enterprise Roofing will remove and replace the roof. Next, Detmer Heating and Air Conditioning will install the two new air conditioners on this roof. Larkin Electric will be subcontracting for Detmer on this part of the project. We will finish with Stymco Construction replacing the “fencing” with new material that matches what we have on the north side.

We want to thank the Luther Foundation for their financial help with the project. We applied for a grant from them in 2014 and were approved for $50,000. This was a great help to fund this nearly $90,000 project. The other funds were supplied from what was still in our Capital Fund Account.

The north side of the church roof was refurbished and A/C updated in 2011. This 2011 project was done entirely with parish Capital funds.

We thought you’d like to know...

St Albert Buildings & Grounds Committee
From the Principal:

This week’s academic overview is of our math program. The Archdiocesan course of study in math provides the classroom teacher with identifiable and measurable objectives at each grade level, and aligns classroom instruction with both the national and state standards for math.

Students who have mastered all grade level objectives and display an above grade level ability with the math curriculum and on standardized tests may be chosen to participate in the Algebra program in their 7th and 8th grade years. This is a high school level class designed to move students into Algebra II or Geometry as a freshman in high school. Students in the Algebra program study real number properties applied to algebraic expressions, and solve equations and inequalities. Other topics include: factoring, polynomials, rational expressions, graphing, functions, irrational numbers, quadratic formulas, and statistics.

Please keep us in your prayers.

If you love to sing and praise God at the same time, you need to give your talents to our Youth Choir! The Choir contains boys and girls, ages 5th grade through college and sing at Liturgy once every two weeks. Our rehearsals are one hour before the mass that we sing. If you play guitar or another musical instrument, please join us with that talent also!

Please contact Mrs. Judy Drake (299-4506) if you are interested. Or, come and join us on Sunday, September 20th at 10:00 in the school Music Room. We will rehearse and then sing our first Mass at 11:00.

Please consider joining us and making an impact on your own personal commitment to God and to your parish!

At Home: My Journey into Catholicism
Wednesday, September 16th at 7 pm
Immaculate Conception Church
(2300 S. Smithville Rd., Dayton)
In the Lower Level of the Church
The latest Pew Research Center data on religions suggests that the number of people who call themselves Christian in the United States has dipped dramatically over the last seven years. The largest exodus is from the Catholic Church. However, there are people whose life-journey defies this growing trend. This past Easter, 13 adults embraced Catholicism at our parish. They all have amazing faith-stories to tell us. This faith formation session will create an opportunity for our newest Catholic parishioners to share with us their amazing faith journey into Catholicism. This is a God-given opportunity for us to grow in our own faith.
