FROM THE DESK OF...

Fr. Gerard

Dear parishioners, visitors, guests and benefactors,

Thank you again for all those who attended the open wide meeting. What a great way to show your support for St. Joseph parish. A lot of topics came out and were discussed. I know we will not be able to do everything that was suggested but we will work hard on trying to accomplish as much as we possibly can. Also, it will take time to put things into place. Many things do not happen over night, but with the cooperation of many we can accomplish a lot together.

One topic that came up at the open parish meeting was the recognition of birthdays and anniversaries on a particular month. We would like to implement this special recognition right away. It has been decided that birthdays on the particular month will be recognized on the first weekend of the month and wedding anniversaries will be recognized on the second weekend of the month.

Toward the end of mass I will invite people of that month to stand in place (only if you want to) if you have a birthday in that month. I will then give you a special blessing. The same will happen the following weekend for anniversaries. This is a special way in which we want to show people that we care and we have a warm, inviting parish community. Let us all celebrate the gift of life and love. Your support in making this parish a wonderful community is greatly appreciated.

As ever,

Fr. Gerard Willger

YOUTH CONFERENCE SUMMARY

Franciscan University of Stubenville Ohio for forty years has been hosting Catholic Youth Conferences all over the United States. This past weekend the conference was held at St. Thomas University in St. Paul. Some youth and chaperones from our parish attended along with 1980 other teens and chaperones from the Mid West. They accepted this invitation to grow in their Catholic faith through inspiring talks, Mass, dynamic worship, and profound encounters with Christ in the Eucharist adoration and Reconciliation. Thank you to all for supporting our youth in prayers and thoughts throughout the year, and to make events like this possible for us to attend.

KNIGHTS OF COLUMBUS SCHOLARSHIPS

The Knights of Columbus would like to help students from St. Joseph Parish who have completed one or more years of post secondary school. To become eligible for a KC Scholarship stop by the parish office and pick up a registration form. Past recipients are eligible. Registration forms must be mailed in before August 14, 2015.

REFLECTION

St. Paul advises us to "put away the old self of your former way of life...and put on the new self." We need to change our hearts and minds. We are called to conversion; we are called to a change, a transformation that puts God at the center of our lives rather than self and all that goes with the self-centeredness. This is not a one-time conversion but an ongoing one, a daily one. This may sound impossible, but it is not if all we do and all that motivates us is the desire to live as Jesus wants us to. It is not easy, but it is joyful and fulfilling.
