From the Desk of...

Fr. Gerard

Dear parishioners, visitors, guests and benefactors,

A lot of great comments and ideas came forward at the open wide parish meeting. One topic was daily mass. I clearly recall some members stating how they like to start out their day with mass. Daily mass has always been a strong tradition in the Catholic Church. Different daily mass times offers a greater variety of people the opportunity to attend a daily mass which best fits their schedule. Therefore starting Thursday, August 13 the daily mass will begin at 8:30 a.m. Now a mass is offered in the morning (8:30 Thursday), noon (Friday 12:00), and evening (Tuesday 5:15) during the week. I am so happy at how many people attend a weekday mass. Remember that a mass is also offered on Wednesday at 11:00 a.m. in Cable (St. Ann's). Let us continue to appreciate the gift of the Holy Eucharist; so we can grow closer to Jesus.

This coming Saturday is August 15th. In the Catholic Church August 15th is the Feast of the Assumption of the Blessed Virgin Mary into Heaven. This year it is not a Holy Day of Obligation because it lands on a Saturday. Although it is not a holy day of obligation there will be 2 masses offered in honor of the Assumption of Mary in Heaven. Please check the bulletin for the extra mass times. All are welcome to attend the scheduled mass. It is a great way to celebrate the role of the Blessed Mother in our lives and in the church. May God bless you always.

As ever,

Fr. Gerard Willger

SOCIAL CONCERNS

How does God speak to us about poverty in our communities? Is it in a tiny whispering sound during quiet moments as we count our blessings.? If one of your blessings is that you have more than you need, won't you consider helping those who are food insecure. For August, the food shelf's special request is for canned fruit. Also this month we are continuing to collect back-to-school items. Please place your nonperishable donations in the bins near the entrances to church.

His family came to America so he could have corrective surgery. By the age 16 Tony taught himself to play the guitar with his toes and became a singer and composer. Tony played for Pope John Paul II. His music and stories are of overcoming life's problems through changes in attitude and discipline. They speak of hope, encouragement and faith.

JESUS AND THE JEWISH ROOTS OF THE EUCHARIST

Dr. Brant Pitre uses the Hebrew Scriptures and Jewish tradition to frame the actions of Jesus at the Last Supper, and to provide a fresh look at the heart of Catholic practice—the Eucharist. By taking us back to the Jewish roots of our faith, Dr. Pitre gives us a powerful lens through which to see anew the bread of the presence, the manna, the Last Supper, and ultimately the meaning of the Eucharist.

Comments: Amazing teaching on the Eucharist! Such fullness; so rich in history. Brilliant! Very clearly shows the foreshadowing of the Eucharist in the Old Testament.

Find this CD and others in the rack located in the entrance to the church hall. Also, there are many magazines located in the racks for you to take and read.
