TENTH SUNDAY IN ORDINARY TIME

Jesus longs for us to belong to one family in him, through baptism. Today's readings look at three blessings provided by membership in God's family: understanding, permanence, and hospitality. In Genesis, Adam and Eve, filled with shame, hide from God. God finds them, of course, and sees deep into their hearts. Before God discusses their disobedience, God shows understanding and tenderness by banishing the creature most responsible for their sin: the serpent. God always understands and protects the members of God's family. This protection does not prevent suffering on earth, but, as Saint Paul explains to the Corinthians, guarantees our permanent, glorious happiness in heaven. Today's Gospel reminds us that God wants to welcome all of us into that glory. Breaking all barriers, Jesus assures us he heartily welcomes all who love and follow him. God's family welcomes, understands, and offers eternal life.

MAMA GRIZZLY BEAR

More than any mama grizzly bear, God is ferociously protective of us. Certainly Adam and Eve must accept the consequences for their bad behavior, but God lashes out first and foremost at the serpent, the one who caused them to sin. God is fair, and God is tender. "As a mother comforts her child," says the Lord, "so I will comfort you" (Isaiah 66:13). Knowing God's protective love for us, we can echo today's Psalm 130 whenever we confront distress: "Out of the depths I cry to you, O Lord; Lord, hear my voice!" Even if, like Adam and Eve, we cause our own suffering, we believe God will always show both might and mercy if we turn to the Lord for help and comfort.

PROPHETIC LIVING

The Corinthians knew what it was like to experience distress and suffering, much of which they caused themselves. Their Christian community, founded not twenty years after Jesus' death, faced heart-wrenching disagreements and scandalous behavior. To encourage them, Saint Paul wrote that their "momentary light affliction is producing for us an eternal weight of glory beyond all comparison." Saint Paul does not deny their suffering. He does not pretend being a Christian is easy. Instead, he invites the Corinthians to accept their difficulties and put them in perspective: the heaviest burden on earth weighs nothing compared to the mighty glory God has prepared for us in heaven. Living with this perspective makes us prophets. A prophet speaks God's truth to the world and points God's people back to the Lord. When we live in prophetic hope, believing in God's eternal glory, we remind the world of God's mighty, merciful plans for humanity. Like Saint Paul, we can encourage others to endure suffering bravely and not to grow weary doing God's will. Jesus promises that if we do the will of God, we are his "brother and sister and mother." We are his family. And he always protects his family.

Priest Retirement Fund Collection Weekend June 9-10, 2018

We are truly blessed by the men who have given their lives in service to thousands of families as a priest. As life begins to change in their later years, so too do their needs.

Together we are invited to join and bless those who have blessed us by making a meaningful gift to the Priest Retirement Fund.

Have you ever wondered what happens to our priests after they retire from teaching, preaching, and serving on a regular basis? Where do they go? Who takes care of them? What do they need?

Like us, they desire rest and have needs for care and medical treatment as they grow older. Unlike most of us, though, their modest salaries were never meant to provide for them after many years of service.

Your gift to the *Priest Retirement Fund* is a meaningful investment and true blessing for the care and comfort of our spiritual fathers as they enter the later chapters in life.

They deserve nothing less. Thank you for your generosity.

St. Jude the Apostle School is no longer taking printer cartridge donations. The good news is there are other ways to recycle your printer cartridges:

- Drop them off at your local office supply store
- Find a local recycling facility, visit Earth911.com
- Consider refilling your original brand ink cartridges

We thank you for your past support.

Special Request

Thank you from Loaves and Fishes Ministry! You step up to the plate each time we present an opportunity to share—for babies, kids, seniors, homeless, on and on. We have a request: **please ask by calling (805)495-4630 before dropping things off** at the office or by the storage shed. We have limited storage space, so it is best if we respond to needs rather than collect items for future use. We appreciate your help in this matter. **Please watch the "Find-a-Need....and Fill It"** box in the bulletin for specific needs. Thank you.

With Sincerest Gratitude

We wanted to thank everyone responsible for putting our beloved Deacon Joe Manion's funeral service together and for all who participated and attended the services.

Deacon Joe's love for Christ and for Saint Jude's community was truly alive and evident, his spirit was felt and will continue to live in our parish. As in all funerals, Deacon Joe's death was an opportunity for our parish to come together in solidarity to share, confirm and acknowledge Deacon Joe's beliefs in the love of Christ and the promise of the resurrection.

From our hearts we thank you for coming together and showing your love and respect to our Deacon brother.

Yours in Christ, Deacon Dick, Deacon Bill, Deacon Jerome and Deacon Jess

Deacon Joe and his wife, Carol.

Campus Security Project for St. Jude the Apostle School

Back in 1982, our founding pastor Monsignor O'Connell had the ground breaking vision to build St. Jude's School. Without a doubt, his vision has been grasped and expanded upon based on the needs of our ever changing community. Since its founding 35 years ago, St. Jude's school has undergone several modifications. Each modification planned and measured to fit the needs of its students. With each layer of progression, our children have benefited as a result. Once again, our school is due for another advancement. This time, it's in the form of campus security. We can all agree, there is nothing more important in this world to the parents and parishioners of St. Jude's School than the well-being and safety of our children.

Our security program will consist of creating a perimeter using wrought Iron fencing, vehicular gates, and personal gates that will control who is allowed access while school is in session. While school is in session, these gates will be closed. Wrought Iron has been selected as the material of choice for this project due to the fact that it is not easily breached or vandalized. Moreover, it maintains visibility. On weekends, for this busy parish, the fences will be rolled back to allow maximum use of the parish parking lot.

Here are the goals of the security fencing, gate and access control security plan:

- 1) Designating the school grounds as a well-defined, carefully maintained space that deserves respect.
- 2) Further enabling and expanding video surveillance by school staff.
- 3) Modernizing our safety systems and providing more efficiency.
- 4) Limiting access to areas that are not highly visible.
- 5) Restricting entry and exit points to a few easily monitored areas.

To help you visualize the scope of the future project we have put together a site plan and renderings outlining where the new fencing, vehicular gates, and personal gates will be located. We are in the process of obtaining firm bids for the work from several local contractors. This project will be phased over a period of time based on the gracious and kind support of our St. Jude the Apostle Community.

Your kind donation can be accepted here:

There are also brochures available in the vestibule for added details about the project.

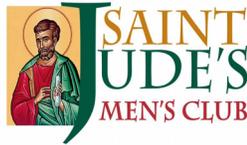

Thank you.

Safety trumps good manners

- As parents/caregivers, we teach children to say "please" and "thank you," to play nicely, and to respect other adults. It is also key to stress the importance of safety, and let children know that it is okay to be impolite if they feel threatened or scared. Children should know that it's okay to say "NO" if someone is asking them to do something they don't feel comfortable doing, and that setting boundaries by saying things like -- "Don't touch me there," or "I don't like that" -- are not rude, but in fact necessary for their safety.
