THE MOST HOLY BODY AND BLOOD OF CHRIST

Today, we are careful never to come into contact with blood unless protected by gloves, masks, and goggles. In the reading from Exodus, however, Moses dramatically splashes blood all over the altar and the people assembled for worship. Blood is the sign of God's covenant with the Israelites, a powerful bond between Creator and creature. Sprinkling blood on God's people connects them with the life force of the Lord. The reading from Hebrews shows how God remains faithful to the ancient covenant of blood, perfecting it in the bloody death of Jesus. Mercifully, Jesus' sacrifice on the cross put an end to the bloodshed. Our Eucharistic celebration is an unbloody sacrifice. As we participate in the liturgy, we share in the new covenant Jesus gives us, recorded in our reading from Mark's Gospel: "Then he took a cup, gave thanks, and gave it to them, and they all drank from it."

AS REAL AS IT GETS

The "new covenant" described in Hebrews is every bit as real as the dramatic blood-splashed covenant of Exodus. Jesus transformed the covenantal experience for us, putting an end to bloody animal sacrifices. The author of Hebrews explains: "he entered once for all into the sanctuary, not with the blood of goats and calves but with his own blood, thus obtaining eternal redemption." Jesus died, once for all, offering his own blood in atonement for our sins. On the last night of his life, Jesus commanded us to offer bread and wine--which he transforms into his own Body and Blood--in remembrance of his perfect sacrifice. Although pouring wine from a bottle is in a different category from killing a bull and sprinkling its blood, we must never forget that the wine we offer truly becomes the actual Blood of Christ.

ROYAL PRIESTHOOD

Jesus' free choice to die for us on the cross perfected the long tradition of priests offering bloody sacrifices on the altar. As our reading from Hebrews tells us, "Christ came as high priest of the good things that have come to be." In his death, Jesus served as both the priest and the victim, "once for all." Jesus died for us. For all of us. He knows us each by name and raises us all to undivided, unprejudiced dignity. In doing this, Jesus makes us part of a "royal priesthood." Under the new covenant, we are baptized into the common priesthood of Jesus and invited to make a sacrifice of our very selves. God still calls ordained priests to offer the sacrifice of Jesus' Body and Blood every day on our altars. This is a great gift, and the focus of our solemn feast today. Our common baptismal priesthood also reminds us that each one of us participates in the great sacrifice of Jesus when we offer our love and deeds on the altar of our hearts.

Today's Readings: Ex 24:38; Ps 116:12-13, 15-16, 17-18; Heb 9:11-15; Mk 14:12-16; 22-26

Priest Retirement Fund Collection Weekend June 9-10, 2018

We are truly blessed by the men who have given their lives in service to thousands of families as a priest. As life begins to change in their later years, so too do their needs.

Together we are invited to join and bless those who have blessed us by making a meaningful gift to the Priest Retirement Fund.

Have you ever wondered what happens to our priests after they retire from teaching, preaching, and serving on a regular basis? Where do they go? Who takes care of them? What do they need?

Like us, they desire rest and have needs for care and medical treatment as they grow older. Unlike most of us, though, their modest salaries were never meant to provide for them after many years of service.

Your gift to the *Priest Retirement Fund* is a meaningful investment and true blessing for the care and comfort of our spiritual fathers as they enter the later chapters in life.

They deserve nothing less. Thank you for your generosity.

St. Jude the Apostle School is no longer taking printer cartridge donations. The good news is there are other ways to recycle your printer cartridges:

- Drop them off at your local office supply store
- Find a local recycling facility, visit Earth911.com
- Consider refilling your original brand ink cartridges

We thank you for your past support.

Special Request

Thank you from Loaves and Fishes Ministry! You step up to the plate each time we present an opportunity to share—for babies, kids, seniors, homeless, on and on. We have a request: **please ask by calling (805)495-4630 before dropping things off** at the office or by the storage shed. We have limited storage space, so it is best if we respond to needs rather than collect items for future use. We appreciate your help in this matter. **Please watch the "Find-a-Need....and Fill It"** box in the bulletin for specific needs. Thank you.

Campus Security Project for St. Jude the Apostle School

Back in 1982, our founding pastor Monsignor O' Connell had the ground breaking vision to build St. Jude's School. Without a doubt, his vision has been grasped and expanded upon based on the needs of our ever changing community. Since its founding 35 years ago, St. Jude's school has undergone several modifications. Each modification planned and measured to fit the needs of its students. With each layer of progression, our children have benefited as a result. Once again, our school is due for another advancement. This time, it's in the form of campus security. We can all agree, there is nothing more important in this world to the parents and parishioners of St. Jude's School than the well-being and safety of our children.

Our security program will consist of creating a perimeter using wrought Iron fencing, vehicular gates, and personal gates that will control who is allowed access while school is in session. While school is in session, these gates will be closed. Wrought Iron has been selected as the material of choice for this project due to the fact that it is not easily breached or vandalized. Moreover, it maintains visibility. On weekends, for this busy parish, the fences will be rolled back to allow maximum use of the parish parking lot.

Here are the goals of the security fencing, gate and access control security plan:

- 1) Designating the school grounds as a well-defined, carefully maintained space that deserves respect.
- 2) Further enabling and expanding video surveillance by school staff.
- 3) Modernizing our safety systems and providing more efficiency.
- 4) Limiting access to areas that are not highly visible.
- 5) Restricting entry and exit points to a few easily monitored areas.

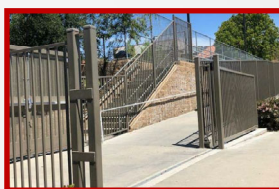

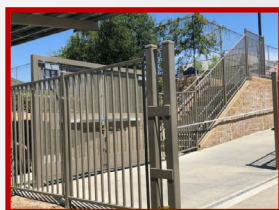

To help you visualize the scope of the future project we have put together a site plan and renderings outlining where the new fencing, vehicular gates, and personal gates will be located. We are in the process of obtaining firm bids for the work from several local contractors. This project will be phased over a period of time based on the gracious and kind support of our St. Jude the Apostle Community.

Your kind donation can be accepted here:

There are also brochures available in the vestibule for added details about the project.

Thank you.

Men's Club Update

Men's Club will be holding our next meeting on **Tuesday, June 12**, from 7-9 PM in the parish hall.

Guest speaker will be **Todd Lipka**, **President of Step Up on Second** and author of **"Creating Affordable Housing for Individuals with Mental Illness, A Step by Step Guide"**. His organization works to provide housing and other support services to people with mental illness, especially those that are homeless. He will discuss his organization's efforts to help this very vulnerable population. We will also hear from Tim Schutz and Frank Blum from **"Habitat to the Max"** will discuss their joint efforts with Habitat for Humanity of Ventura County to share their dream of building affordable homes for low-income families in need of safe, decent housing.

Men's Club meets on the second Tuesday night of the month in the parish hall. Meetings include socializing, and update on club events and service opportunities, and a guest speaker on a subject of interest to men. Meetings usually include a segment called **"Basic Training for Catholic Men"**--a brief presentation on some aspect of Catholicism that we should know about to better understand and share our faith. We also invite one member to briefly speak about their personal answer to the question **"Why I Am Catholic"**.

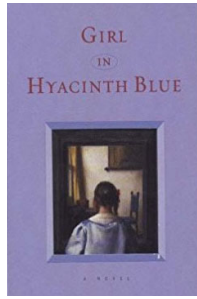

St. Jude Men's Club is the central gathering point for all men of the St. Jude Catholic Community. We promote men's fellowship while pursuing our common goal of being men of faith and service to our Church and community. All men are welcome at our meetings.

For more information about Men's Club or to get your name added to the Men's Club email list, contact John Faucher via email at: jdf@johndfaucher.com

Please bring a flower to present at the alter for your child when their name is read. If you need to add your child's name to the list to be read during mass please call Carol (805) 387-8607 Thank you.

Keeping children safe during summer

During the summer, children may spend time at a camp or program. It is important to monitor for potential risks when a child enters a new environment. Ask to see the organizations written policies for the adults who will be supervising your child, check if there are procedures in place for emergencies and make sure there is a system for open communication between parents and organizers/leadership. Taking time to check these and other safeguards is key to building safe and nurturing experiences for children. For a copy of the complete VIRTUS® article "Keeping Children Safe" visit <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.
