California Mission replicas for the School The Knights of Columbus will offer sculpted hand-painted models of the 21 California missions established by St. Junipero Serra when he founded California beginning in 1769.

Parishioners will be invited to purchase a replica mission to be given as a donation to St Jude's School. When all 21 mission sculptures have been purchased, the complete set, and their display case, will be formally presented to the school on Sunday during the Faire. This is an extraordinary teaching aid for the school.

This Knights of Columbus program creates a double benefit for the Parish. The school receives a complete set of 21 missions. The Parish receives all of the money (\$10.00 out of each \$10.00 collected).

Replica missions for personal enjoyment and/or gifts will also be available for purchase. The Parish will receive \$7.00 out of each \$10.00 collected on these sales.

BIBLE STUDIES

SUNDAY TO SUNDAY

Get more out of Mass by reading and reflecting on the Sunday readings in advance.

Join one of our Sunday to Sunday groups and see the difference a little preparation can make! **Tuesday mornings** (9:15 -11, library) and **Wednesday evening** (6:30 – 7:30, faith formation office)

THURSDAY MORNINGS: Beginning on 9/20/18: Mornings 9:30 -11:30 a.m. **Fulfilled: Uncovering the Biblical Foundations of Catholicism**, part 2: Sonja Corbitt from Ascension Press explains the Biblical roots of Catholic beliefs in this new study. Have you ever been unable to explain why Catholics believe what they do? While designed as a faith sharing Bible study, participants will also gain an apologetic understanding of some of the most questioned Catholic teachings. Fulfilled will reignite your love of scripture and help you share and defend the Catholic faith with the Word of God. Different topics are covered in each part of the study, so part one is not required. Contact Margaret Harder with questions: margaretharder@hotmail.com

THURSDAY EVENINGS: Beginning on October 11, Evenings 7 - 8:30 p.m. **The Catholic Letters: James, Peter and Jude:** This study covers four New Testament letters traditionally known as the Catholic Letters because each is written to strengthen Christian communities scattered across a wide region of the Roman Empire rather than a specific Christian community. Participants will discover that they contain profound differences as well as intriguing similarities. For questions contact Tim or Mariann Harmon: mtharmony2@gmail.com

This year marks the 25th Anniversary of Together in Mission. It is the only time the Archdiocese of Los Angeles asks for contributions — and all the money we raise is given directly and exclusively to our poorest parishes and schools.

Your gifts to Together in Mission ensure that every Catholic living in the Archdiocese has a parish to celebrate their faith and access to a Catholic school education. You are living your faith through your actions when you support Together in Mission. Thank you in advance for your generosity. For more information visit ourmissionla.org/give

HOW TO PRAY THE ROSARY

Using beads to count prayers is an ancient tradition, and not unique to the Catholic faith. The rosary as we know it today has evolved over time from its original loop of fifty beads marked out three times (to account for 150 prayers representing all the psalms) to its present configuration of five decades with some additional prayers. The rosary is begun by reciting the Apostles' Creed while holding the cross that hangs from the loop. The Lord's Prayer is prayed on the first bead on the way up from the cross to the loop joiner. Then three Hail Mary's are prayed on the next three beads (often interpreted as prayers for an increase of faith, hope, and charity), followed by a Glory Be. Another Lord's Prayer opens the first decade, which continues with ten Hail Marys, and concludes with a Glory Be, prayed while holding the chain between the final Hail Mary of the decade and the next bead for the Lord's Prayer. The prayer and meditation of the five decades is directed to one of the mysteries of which there are four sets (Joyful, Sorrowful, Glorious, and Luminous). There are booklets that offer scriptural meditations for each of the beads as well, providing an opportunity to enrich this traditional prayer with excerpts from the word of God.

Open Arms Hospitality MINISTRY

welcome to church

The goal of our ministry is to welcome and encourage all new visitors and current parishioners. Our desire is to help everyone get connected and feel part of the St. Jude faith family. You are important to us. If you haven't registered with St. Jude's yet, or you would like to be an ambassador for Christ with the gift of hospitality (baking, greeting, making baskets), we would love to hear from you! If anyone you know, loved one or friend, is homebound and not able to make it to mass please notify us directly so we can reach out to them.

Knights of Columbus

Monsignor O'Connell Council 8072

Did you KNOW - The Knights funded the cost of more than 55,000 wheelchairs for handicapped individuals throughout the world. Locally, we've funded 1600 wheelchairs for Veterans in the Ventura, Santa Barbara and San Luis Oispo counties in the past two years and are again raising funds to again take care of Veteran's in need.

SAVE THE DATE - The annual Blood Drive will take place on Sunday, November 25 in the parish hall! Just know that United Blood Services is now known as Vitalant and will continue to do great things with your living donation! Men between the ages of 18 and whenever can now join this great Catholic Men's Fraternal/Charitable organization on-line. Kindly launch kofc.org for further information, directions and introduction to the benefits of being a member. Or ask any Knight at St. Jude's for information! Safeguard the Children

Keeping Our Promise

Did You Know? The Importance of Emotional

Boundaries We discuss the importance of physical boundaries quite a bit, teaching children to understand privacy and the difference between good touches and bad touches. But emotional boundaries are just as important, if not more so, because abuse victims are often manipulated into trusting and believing their abusers. Predators can violate emotional boundaries fairly easily, worming their way into a child's life and creating a false relationship. Parents should talk to their children about appropriate boundaries for their emotional relationships — with teachers, the parents of their friends, and other adults in their lives. Children do not always have the emotional maturity to set their own boundaries, so parents should be on the lookout for anything that seems inappropriate or "off" about the relationships their children form with other adults. To learn more about emotional boundaries and how to maintain them, email vienna@la-archdiocese.org.
