Fr. Michael's Musings

Well, the Christmas Season has drawn to a close and a new year has begun.

While I hate to begin this new season and year talk-

ing about finances, alas, I must.

As you can read in the Church Support section below this column, we are in need of \$18,000 a weekend to meet our budget.

We have not been meeting our budget...at all.

Christmas was bountiful, as was New Year's Day, but we also lost two weekends since those holidays fell on Sundays.

In addition, we have had to pay a bit more for snow removal lately due to the added snow...not to mention the ice accumulations, and all of this is straining our resources to the limit.

To be honest, a few weeks ago, I had more money in my personal checking account than the parish had in its account. We simply cannot sustain a parish this way.

Someone asked me the other day what I was planning on doing about it and I said, to be honest, there is little I can do about it. Our financial viability comes from all of us, each person sitting, kneeling and praying in the pews.

We are all responsible for this parish and its future.

In this new year, please spend some time prayerfully reflecting on the gift of your parish family, and offer your support. A little more from each of us goes a long, long way!

Just a Thought...

Three inches?!?
I would have sworn it was 15!

"I told you not to order the Zamboni."

Church Support: January 7 - 8, 2017

- Envelopes: \$ 12,516.75
- Loose: \$ 1,097.00
- Children's: \$ 90.00

REMEMBER:
We need \$18,000 a week to meet our needs!
