**Fr. Michael's Musings**

You may have noticed looking below this article each week, the numbers in our Church Support box have been a bit...well...anemic as of late.

This last week we had to make up a \$30,000 shortfall to pay our bills for September.

So here is a gentle reminder (dare I say begging!?) to remember the importance of Church Support. If you haven't given in a while...it would be wonderful to have you start! If you haven't raised your giving in a while, please remember that prices keep going up for us too!

It is easy sometimes to let "the other people in the pews" carry the weight in time, talent and treasure, but it really is for all of us!

We are not just caring for the parish today, but ensuring a vibrant, healthy parish for our children and their children as well.

As we enter into Autumn, as we take the time to prepare for the winter months, please also take time to prayerfully consider how you can financially show your love for your parish family! *Everyone is needed because everyone is a part of our family.*

"Hey, would you mind taking a quick sculpture of me and my family?"

*Just a Thought...*

You have to love it when the Gypsies and Wolves come out to play!
