For those of us who are Minnesota Vikings fans, well, you just never know.

Things can start out so well and then they kind of go downhill really, really fast. But that's football I guess, and certainly part of being a Vikings fan.

Last Sunday during drill weekend, I was listening to Paul Allen call the play by play on the radio as the game against the Lions was winding down.

Vikings down, Vikings up, Vikings tied, Vikings down. It was tough. But that is a lot like life too. Ups and downs and times when you're just tied and going into overtime. The only difference is what you do with the up times, and what you do with the down times.

We can thrive in the downs and rejoice in the ups and remember the gift of life and love in all the days in-between. That makes us holy, that makes us human.

Speaking of ups and downs...a word about the Sunday collection:

HELP!!

The needs are many and we are seriously scrambling to make ends meet.

Please remember your parish family and help us get some "up" numbers!

Remember...this parish is a beautiful gift!!

"Pumpkin spice has been very good to me."
