Fr. Michael's Musings

The other day I was talking about the ministries of the parish in this space and at the Pastoral Council meeting held last Sunday and I took an opportunity to mention something wonderful.

Our Mass servers; they are amazing. You would think that, being younger members of our parish, that this ministry might be a little "hit or miss" when it comes to attendance and finding subs, etc. Yet, when Fr. Mark and I are getting ready for Mass...there they are, ready to go.

What an enormous gift this is to us all. I am very grateful for our servers, young and not as young, who are so faithful and careful at serving Mass. What a blessing it is to have both Golden Eagles and Cavaliers put on the unifying white robe of Baptism and serve at their Altar.

I am always so touched when the kids in our parish school and in our religious education classes ask the same question, "Father, when can we serve Mass??" Their eagerness and desire is touching. They are so excited to serve.

Even as the years go by and they are much older, there is still a spark of joy in them. So let me just pause and publically thank our servers. I try to remember to do it after Mass, but they need to hear it from us all. Thank You...you make our celebration better by being YOU.
