Father Michael's Musings

As May 1st arrives, and we think seriously about spring, we see the signs of new life all around us.

I hope you are getting outside and enjoying the gifts we see and the reminder that life endures and rises from the bleak reality of winter again.

It is a good reminder for when we find that bleak winter more "inside" than "outside." If you are still feeling a bit...frosty...in your heart and mind, then be open to the power of this beautiful season.

It is also seen as the Lord renews our parish family throughout these springtime days.

A few weeks ago at the Easter Vigil in the Holy Night, we received adults Baptized and Confirmed. Then past weekend our young brothers and sisters were sealed with the Gift of the Holy Spirit in Confirmation, and this weekend, little princes and princesses of the Kingdom of God will process forward, scrubbed, dressed up, polished and will receive the Lord in Eucharist for the first of many, many times.

Indeed, it is a glorious, rainy, muddy, sunny, wild and wooly season; but isn't new life, growth and joy always that way?

Be open, even as the Lord is renewing our parish, He is ready to renew you as well. Just ask Him.

Go ahead and attack the establishment, Sir.
Why not? Everyone else is doing it.

Just a Thought...

White veils
and
clip-on ties.
Perfect.
