Fr. Michael's Musings

A few days ago I had the opportunity to attend a day of reflection at the Abbey of the Hills outside of Marvin, SD.

It is always an interesting experience to go back to the old Blue Cloud Abbey, a place where I have spent many days in prayer and reflection, and to see how the place is doing.

It is doing wonderfully!

It is easy to forget that we have this place, this gift, just 83 easy miles from Aberdeen on Highway 12.

The Abbey of the Hills is a quiet, joyful place where a person, or a family, can find refreshment and peace.

There are many opportunities for retreats, both personal and communal, or just a retreat day away from the hectic schedule.

They have concerts and events and opportunities to grow in faith and in your relationship with the Lord.

Give yourself a gift and check them out at:

www.abbeyofthehills.com

As a former Oblate of Blue Cloud Abbey, it makes my heart happy to see the place alive with joy and faith and love again.

You will enjoy being a part of it, and they will be blessed with the joy and faith and love YOU bring with you.

*Just a
Thought*

See you later
