It was just amazing last weekend when I went to look at the sign-up sheets for the bazaar and found 38 new workers and volunteers.

Thank you so much. What a great influx of help and support.

Every single person who helps with the bazaar and dinner is a gift, and you are appreciated. It is still a wonderful way to show our love for our parish family, and the wider community, to serve in love.

You still have an opportunity to sign-up this weekend if you didn't last weekend; we'd love to have you.

Now, just a gentle and friendly reminder, but the collection numbers have been a bit thin lately, and we had some trouble getting bills paid a few days ago. That's always tough; but I trust utterly in the generous support and love of this great parish.

I know that the numbers can, and will, climb again and we will be able to stay afloat. So let me thank you all in advance for the "little extra effort" I know will be given at collection time!

Keep being an Amazing Parish!
