Happy Festival... All are welcome! Often during the summer months when we travel, we encounter people who offer us hospitality, whether they be family, friends, or even strangers. At this weekend's Masses, on this, the weekend of our parish picnic, we will hear about hospitality. As we welcome others to our parish gatherings may we reflect and pray about how hospitable we should be to strangers as well as parishioners. Over the years, a number of different interpretations have been proposed concerning the Gospel story of Mary sitting at Jesus' feet while Martha is bustling about. I know this festival can be a lot of work for some of our parishioners, but please take some time and relax at Jesus' feet. Take time to relax with family and friends. Our reading from Genesis kind of sets the tone. Hospitality is indeed important and has its rewards. Perhaps where Martha crosses the line is in the grumbling about it. My friends, today our prayer is that we have a successful festival, but more so that we continue to welcome Christ into our hearts, not just when it's convenient, but each and every day. All are truly welcome at the table of the Lord!

- Fr. Jerry
