Dear Padre'... **Question:** *Why is May the Month of Mary?*

During the month of May—the month of Mary—we feel a special protection and love of Our Lady that extends to all the faithful; we feel a special joy that shines and illuminates our hearts expressing the universal certainty of Catholics that the indispensable patronage of our heavenly mother becomes even more tender and more loving during her month of May. May is often looked at as the month of new growth. We are called to grow in our love towards our heavenly Father through her.

We come to other months as times to also reflect on Mary, our spiritual mother but none more than May, when we **honor** our earthly mothers (Mother's Day). We enter the month of May with this conviction, and it becomes more deeply rooted in us when we leave it, strengthening our faith and increasing our fortitude. May teaches us to love our Mother, Mary our Most Holy Mother, for the glory she rightly possesses and for all that she represents in the plans of Divine Providence. It also teaches us to be more constant in our filial union with Mary.

Children are never more sure of the loving vigilance of their mothers than when they suffer. A scraped knee will bring a children climbing onto their mother's lap for comfort and attention. All of mankind suffers today; all peoples suffer. They suffer in every conceivable way and are move towards Mary for that same comfort. We often seek out our mothers in times special needs in our lives, Mary is at the top of our list in seeking her intercessions. May Mary, our spiritual mother always intercede for us and provide protective care and healing in our lives.

~Padre' Jerry

German Ancestry

By: Jack Devitt

As I watched a PBS WBGU TV show about World War I was surprised how some Americans hated and treated some of their fellow Americans who had German ancestry or had come over here from Germany. There were a few who were imprisoned because they thought they were spies. Some who had come over from Germany were drafted to go back over to Germany to fight and kill Germans who could even have been their relatives. Some of the German people changed their last names so they wouldn't be thought of as German. When the armistice was signed the soldiers got out of the trenches from both sides and hugged one another.

My wife Helen's family, whose last name prior to the War was Lang and then changed to Long around the start of World War I. Teresa Long, a great aunt of Helen's, was the housekeeper for Father John Miller, the Priest at Ft. Jennings for many years. She had told Helen that a relative of theirs, Anton Lang, had played Jesus Christ in the Passion play held every ten years in Germany in the town of Oberammergau. The play originated in 1634 as a show of thanks to God for sparing the town from a plague. It lasts 5½ hours and includes over 800 performers. We did go see and enjoyed the play in 2000.

Most of you that read this are of German descent, so if you are, and you have heard about your family being treated negatively or had a name change, please let me know.

THOUGHTS ABOUT MOTHERS

by: Darren

God chose the Virgin Mary for what should probably be considered the most important job in history—bringing our Savior **Jesus Christ** into the world. While her divine selection by God sets her apart from everyone, in my mind she set the stage for all mothers of the world that came after her.

There aren't many people that I know that would argue that a mother is the most special person in the world. I am fortunate enough to have three very special "mothers" alive in my life - my mother, my wife, and my mother-in-law. Each of them holds a very special place in my heart for the same reasons that many of you likely have. Mothers are there to pick us up when we are sad, speak encouraging words in the most difficult of times, teach us right from wrong, show us how to love unconditionally, and the list goes on and on and on. Whether it is your mother, your wife, your grandmother, your guardian or whoever it is, that person is so special to you that I'm certain you would consider them divine, just like Mary the Mother of God.

In today's world it's very easy to get caught up in the materialistic ways of life and try to find the perfect gift for that perfect mother in your life. There is absolutely nothing wrong with giving gifts, in fact many gifts were brought when baby Jesus was born, but allow me to make a suggestion. The gift is not the most important way to show your love for that special mother. Whether you give her a gift or not, the most important, meaningful and memorable thing you can do for your mother is to give her a hug, thank her for everything she has done for you, and tell her that you love her. If your mother has passed on to eternal life with God, say a prayer and let her know that you still love her and think of her always.

Happy Mother's Day to all mothers!!! I hope your day is as special as you are!!!

Monthly Bible Verse

And Mary said: "My soul glorifies the Lord and my spirit rejoices in God my Savior, for he has been mindful of the humble state of his servant. From now on all generations will call me blessed…

Luke 1: 46-48

Be willing to serve even when there is no reward. Be willing to serve even when there is no one to join you.
Be a servant even when there will be no applause in the end. Be willing to serve even when your service doesn't seem prestigious.
Remember, your service does not subtract from your greatness; it only makes you greater
