Dear Brothers and Sisters,

You may notice a lot of new things happening on the Church property. All of the projects that are being done are making our School and Church property more appealing to the neighborhood. The work that you see being done is almost completely volunteer and in a number of situations the volunteers are also supplying materials as well. We are very blessed to have members of the parish working so hard on improvements to our property. These improvements will attract people and companies to rent our facilities to provide needed revenue for St. Francis to stay open and viable.

I would love to identify the volunteers who I am dependent upon for these projects being completed. However, a number of them refuse to allow their names to be mentioned and I don't want to give praise to one and not another. If you know any of these guys yourself, feel free to thank them for their charity and support. If you feel called or moved to help us during the week you could just drive by and visit or lend a hand. All are welcome and sometimes lunch is free.

The projects that we are working on are numerous. Often we have several projects going at the same time. Today the rod-iron fence in front of school will be completed and the planter in front of the parish hall will be our focus of attention. Sometimes I will participate in the projects and at other times I'm about other things that need my attention. We will be painting, rebuilding window frames in the school, repairing roofs and just cleaning and repairing. There is always work that needs to be done and we enjoy the company of others, especially those who will speak Spanish to Padre. Practicar mucho es muy importante para mi.

Just for your information. The projects we are doing have cost us a fraction of what they cost normally. We saved approximately \$25,000.00 on the rod-iron fence because of the volunteers work and charity. I honestly do not know how much the volunteers gave financially to this project but look at the difference.

I ask Jesus Christ our Savior and Our Blessed Mother to protect and bless all the friends and families of our Brothers and Sisters who have made these projects possible. I pray that the Blessed Mother keep me here at St. Francis many more years.
Padre Sean

Queridos hermanos y hermanes,

Usted puede notar un montón de cosas nuevas pasando en la propiedad de la iglesia. Todos los proyectos que se realizan están haciendo más atractivo nuestra propiedad de la escuela y la iglesia y el barrio. El trabajo que ven que se hace es casi completamente voluntario y en una serie de situaciones los voluntarios también están suministrando materiales. Nos sentimos bendecidos de tener miembros de la parroquia trabajar tan duro en mejoras a nuestra parroquia. Estas mejoras le atraen gente y las empresas para alquilar nuestras instalaciones y proporcionar ingresos necesarios para que San Francisco Javier pueda permanecer abierto y viable.

Me encantaría identificar a los voluntarios los cuales soy dependiente de que estos proyectos se completa. Sin embargo, varios de ellos se niegan a permitir que su nombre debe ser mencionado y no quiero alabar a uno y no a otro. Si tú conoces algunos de ellos, no dude en darles las gracias por su caridad y apoyo. Si te sientes llamado o movido para ayudarnos durante la semana solo podría conducir por y visitar o echar una mano. Todos son bienvenidos y a veces lonche es gratis.

Son numerosos los proyectos que estamos trabajando. A menudo tenemos varios proyectos al mismo tiempo. Hoy se completara la valla de varilla de hierro frente la escuela y el plantador frente el salón parroquial será nuestro foco de atención. A veces participare en los proyectos y otras veces estoy en otras cosas que necesitan mi atención. Nosotros estaremos pintando, reconstrucción de marcos de las ventanas en la escuela, reparación de tejados, limpieza y reparación. Hay siempre trabajo que se debe hacer y disfrutamos de la compañía de los demás, especialmente a quienes hablan español al Padre. Practicar mucho es muy importante para mí.

Para su información. Los proyectos que estamos nos han costado una fracción de lo que cuestan normalmente. Ahorramos aproximadamente \$25,000.00 en la valla de varilla de hierro debido al trabajo de voluntarios y la caridad. Honestamente no se cuanto los voluntarios dieron financieramente a este proyecto pero mira la diferencia. Pido a Jesucristo nuestro Señor y a nuestra Santísima Madre que proteja y bendiga a todos los amigos y familiares de nuestros hermanos y hermanes que han hecho posible estos proyectos. Le ruego a nuestra Santísima Madre me mantenga aquí en San Francisco por muchos años más. Padre Sean

SAVORING THE EXPERIENCE

One of the wonderful things about vacations is the time we spend two or three weeks afterward savoring the experience, sharing vacation photos and memories with our family and friends. This kind of reflection puts us back in touch with the original experience and reminds us of the relaxation and wonder the vacation afforded us. Today, on the Third Sunday of Easter, the Church blesses us with reminders of what we celebrated two Sundays ago. All three readings are reflections on the meaning of the death and resurrection of Christ. One of the threads running through these reflections is that the purpose of the Lord's suffering, death, and resurrection was to save us, to forgive our sins. We are given fifty days to ponder this reality--fifty days to savor the experience of Christ's dying and rising for us.

SABOREA LA EXPERIENCIA

Una de las cosas maravillosas sobre las vacaciones es que después de nuestro regreso nos pasamos dos o tres semanas saboreando la experiencia, compartiendo las fotos y recuerdos con nuestra familia y amistades. Esta clase de reflexión nos vincula nuevamente a la experiencia original y nos hacer volver a vivir el descanso y las maravillas que la vacación nos proporcionó. Hoy, el Tercer Domingo de Pascua, la Iglesia nos da la bendición de unos recordatorios de lo que celebramos hace dos domingos. Las tres lecturas son reflexiones del significado de la muerte y resurrección de Cristo. Uno de los hilos que unen a estas reflexiones es que el propósito del sufrimiento, la muerte y la resurrección del Señor fue para salvarnos y perdonar nuestros pecados. Tenemos cincuenta días para contemplar esta realidad - cincuenta días para saborear la experiencia de la muerte y resurrección de Cristo por nosotros
