*“The heavens proclaim his justice; all peoples see his glory.” Psalm 97:6*

My dear people of God,

I have just returned from our Sonshine Youth Camp. It was a year of new beginnings in some regards. Our directors this year were brand new. There were actually 3 people that were in charge of our camp this year. Janae Ronning and Ana Lopez started the preparations months ago. Janae told us up front that she would not be able to attend but would help with the preparations. Then about a month ago Paulette Streitz came on board to help us out. None of the three of these people had ever attended camp before; so they were all doing lots of learning as they went. I want to thank them and the other adult staff and counselors for the hard work and dedication that went into making for another successful camp. I am so deeply grateful especially to Paulette for providing such great leadership at the camp itself and keeping everything running smoothly. It went so well that one would have never guessed that she had never attended a Sonshine camp before. Hats off to Paulette and all who made this camp successful once again.

May God bless your week!

Love, Fr Bruce

TIME, TALENT AND TREASURE**

**Did you know that...our food pantry is providing food to 450 or more families each month?** This is an increase from 380-400 families per month. Due to the generosity of people in our parish and the Minot community who work in our pantry and who help financially, we are able to take care of these families. A big "thank you" to Joyce Sands, who is our pantry coordinator, and her husband, Roger, who do a very good job of maintaining our pantry and who use the money given to our pantry very carefully when buying needed groceries. They are so willing to go whenever they are called to pick up food and other items used in our pantry when someone offers these items to our pantry. There are holidays and weekends when they are driving somewhere to pick up food and put it away in our pantry. If you are interested in helping our pantry, please call our parish at 839-6834.

**Next Week's Gospel: John 6:41-51**

**Gospel Reflection:** When a teacher introduces a completely new idea, students sometimes resist it. They may complain "I don't get it. It doesn't make sense to me." When Jesus began teaching the Jews that He Himself was the "bread that came down from heaven," they muttered and murmured in complaint. They thought they knew who Jesus was, but Jesus responds by promising them that, if they eat the living bread, they will live forever. He will give His flesh for the life of the world.

**Discussion Points for Gospel:** What reasons do the murmurers give for not accepting Jesus' teaching and how does Jesus respond? What are some of the ways we can prepare to celebrate Eucharist so that we experience this sacrament more fully?
