# PASTOR'S REFLECTIONS

Happy Mother's Day to all our Mother's!!

Mother's play a very important role in our lives. Like snowflakes, no two are quite the same. Some of us still have our Mothers with us, others have already passed on. We may even have a woman in our life who may not be our biological mother, but who has very much taken on a mother role in our lives. Today is a day for each of us to honor and thank them.

You may have had that mother who baked bread from scratch. And to this day when you smell bread baking, you think of your mother. My mother had an amazing love for the Lord, she loved you and you knew it, but she loved the Lord more. She was a prayer warrior. I still remember how people would call my mother to ask for her prayers. It took 3 years after my ordination before my mother would refer to me to lead the prayer. I will never forget how she would add a prayer after the meal prayer was said, so you always watched the visitor, to see them make the sign of the cross before she was done. I will never forget the first family gathering after mom died. We said the meal prayer and then there was SILENCE, we all knew mom's voice should be there. There was what seemed to be a long pause, then two of my sisters looked at me and said, "You going to say something."

Mothers can be that protector. When my brother and I got in trouble, most of the time his fault, when we knew we were busted, we always would rather deal with mom. However, looking back, I think it hurt more seeing mom disappointed than anything Dad could do. Mothers worry about us and care no matter what.

Some of us who may have that person who is like a mother to us, who took on that wonderful role, many times even without being asked. I have had a few people that have called themselves, "your other mother." We should take some time to thank these Mothers as well. Maybe they do not have any children of their own, could be one of the reasons they adopted you.

We should also say a thank you to Mary. Mary said her 'yes' to God to bring Jesus into this world, and on the cross Jesus gave her to us as our mother. "Behold your Mother." Mary has very much stepped up for me as a mother role, since the death of my own mother. I am sure she will for you too. As I told you last week, the anniversary of my mother's death is this Saturday and with Mother's Day Sunday, I will be thinking of her a lot.

There is a part of me that wishes I could be with you this weekend for Mother's Day. I will be praying that the good Lord will bless all of our mothers, living or died. That his Holy Hand will be on them and keep them safe and let them know of his love and care for them, even as He does his own mother.

If you are going to be with your Mother, give her a hug and tell her Thank You and that you love her. If you cannot, due to distance or some other reason, at least call her and tell her what she means to you. For those of you that are like me and our mothers have 'gone on ahead of us', if you're like me, you would give anything to have just one more conversation with her, one more chance to tell her how much you love her. My mother knew after my ordination that she would be talked about, she knew many priest who talked about their families. I wonder if she knew, when I talked about her, how much love there would be in that. At the end of my mother's funeral homily I said, "You may or may not know, that my mother collected angels. There is something I figured out in the last couple of days. That is, you can only keep an angel on this earth so long, before she has to go home. "Welcome Home Mom." I then leaned over and kissed the casket.

Happy Mother's day to all women who are Mothers. One can be a spiritual mother by praying for others in need, a god-mother, a grandmother, a stepmother, a biological mother, etc. God bless your day.

## V I S I O N S T A T E M E N T

*The Church of St. Luke is a Catholic Community, centered in Christ through baptism and formed by the Eucharist.  
We strive to always be a community where every heart is touched by our Christian fellowship.*

## Faith and Family

Last Sunday was the first Sunday of May and as tradition has it we, at St Luke (like many other Catholic Churches) honor Mary and Crown her with a spray of flowers. We honor Mary for her fiat her “yes” to God to be the Ark of the Covenant the new Eve. She is the mother of our Savior. In May there are a number of wonderful feast days including the Anniversary of Fatima on May 13<sup>th</sup> and the Visitation of the Blessed Virgin Mary on May 31<sup>st</sup> in which we honor the Mother of our Savior. There are many Marian devotions that we can pray asking our Mother to intercede for us. As we are aware, prayer changes things. Dynamic Catholic has a request for you . “One of the most incredible abilities God has given the human person is the ability to dream. We are able to look into the future and imagine something better than today, and then return to the present and work to make that richly imagined future a reality.

More than 200 years ago, a small group of people had a dream. They dreamed of freedom. They dreamed of a nation where all are created equal. They dreamed of a better, richer life, full of happiness and opportunity. They lived for this dream, fought for this dream, and died for this dream. Amidst the hustle and bustle of our daily lives, we have lost sight of this dream. Today in America we have bigger houses, but smaller families. Better technology, but worse connection. Fully-loaded cars, but empty churches. More education, but less common sense. We strive for peace, but violence is rampant. We have more kinds of food, but a greater spiritual hunger. We are quick to judge, but slow to love. We have multiplied our possessions, but reduced our values. Something is wrong, isn't it? Something needs changing. The truth is there's no group of people in America in a better position to change things than Catholics. And one of the most effective ways we can change things is through prayer. If the 72 million Catholics in America came together and prayed, something incredible would happen. That's why we are asking people all over the country to join us in praying 5 million rosaries for America! The rosary is an incredibly powerful prayer. It has the power to bring peace. The power to heal; the power to transform your life, the lives of your loved ones, your community, and our nation. Join us in praying 5 million rosaries for America. Whether you pledge to pray one rosary or 100 rosaries, your prayers make a difference.” **Make the pledge. Pray the Rosary.** [DynamicCatholic.com/pledge](http://DynamicCatholic.com/pledge)

**Memorial Day:** Monday May 29<sup>th</sup> we remember those who have fought for our country as well as those loved ones who have gone before us. There will be Mass at St Luke at 9:00am followed by a 10:00am Memorial Ceremony at the Cemetery. All are welcome to attend.

**Garage Sale at St Luke!** As you begin your spring-cleaning please set aside items for the St. Luke Garage Sale (formerly the white elephant sale) to be held on June 15<sup>th</sup> – 18<sup>th</sup>. Please bring gently used clothing, household items and Furniture. Please respect the drop off dates because the Parish center is in use prior to June 4<sup>th</sup>. Thank you
