Did you know that Milwaukee is a hub for human trafficking? Every year, men, women, and children are trafficked at home and abroad. Trafficking is a violation of human rights and the dignity of the human person. This topic is appearing in the news more and more. Join us at GIFT as a panel of experts explains what trafficking is and how we, as Catholics, are called to respond.

If you are interested in joining us, please call the Parish Office at (414) 545-4316.

“Human trafficking is an open wound on the body of contemporary society, a scourge upon the body of Christ...

It is a crime against humanity.” – Pope Francis

“Slavery, prostitution, the selling of women and children, and disgraceful working conditions where people are treated as instruments of gain rather than free and responsible persons” are “infamies” and

“an affront to fundamental values... values rooted in the very nature of the human person”.

— Guadium et Spes, 27
