

Support for Outreach to Haiti Education Program

We are sending representatives from OLOL to visit Outreach to Haiti this summer (they depart July 25) and would like to send backpacks for the education program there.

Over the past 10 years, OLOL has responded amazingly well to this call of support. The Haitian people involved in the scholarship program are so grateful for our parish's generous donations. They currently have over 200 students in their scholarship program and each one needs a backpack for the start of school in September. We will take as many as we can on our trip.

If you are able to donate any backpacks, please bring them anytime from July 14 - July 22 and leave them in the marked box in the meeting room hallway after any of the Masses.
