

Imagine Being Without the Basics for Your Child

What if you were in trouble and needed help providing for your family?

What if you had no home to shelter your kids? No food to feed their hungry bellies?
No warm clothing for the oncoming winter?

Can you even imagine the despair if you thought there was no help?

Enter the Help: La Causa

For over 25 years, La Causa's Crisis Nursery and Respite Center has provided the most basic needs of clothing, food, and shelter to Milwaukee's youngest and most vulnerable members: our children.

Open 24 hours a day/365 days a year, they provide support to children age birth to 12 years old when family emergencies arise such as homelessness, domestic violence, and medical needs.

The Crisis Nursery and Respite Center is the only state licensed center of its kind in southeast Wisconsin. They care for up to 12 children each night, and children can stay for up to 72 hours at no cost to the family. They are a resource in the community helping families avoid exposure to traumatic crisis situations that could leave long-lasting detrimental effects on a child's emotional, mental, and/or physical well-being.
