68 Ohio Avenue, Medford, NY 11763

*A community praying, growing, serving & welcoming in Jesus Christ.*

A sower went out to sow.

The seed that fell on  
the path,  
rocky ground  
or thorns,  
all died.

But some seed fell on rich soil,  
and produced fruit, a hundred or sixty  
or thirtyfold.

# Parish Social Ministry

The goal of Parish Social Ministry is to engage parishioners in social justice and outreach activities that allow us to live out the Gospel call to serve others and to build the Kingdom of God. Clare House is a community space where we exchange resources, offer assistance, and build relationships.

The Outreach Ministry at Clare House offers direct service to community members facing difficulties of all kinds. We strive to build authentic relationships with every individual who walks through the door and commit to journey in solidarity with them. We offer assistance to alleviate immediate needs. Clients receive access to: food pantry, thrift shop, case management, advocacy, information and referral, and other resources.

The Social Justice Ministry at Clare House works to expand our understanding and application of Catholic Social Justice through the use of praxis. We employ the "See, Judge, Act" Method to examine pressing social problems. By utilizing education, advocacy, and community organizing we put our faith in action to address structural issues and eliminate systemic injustice. We feed the hungry and ask why they are hungry. The Social Justice Committee meets first Thursdays at 7pm in Clare House. ALL ARE WELCOME!

I welcome your calls, emails, and letters to express feedback - positive or negative - on any aspect of our PSM program. Dialogue is essential for clarification of thought. Thank you to those of you who have contacted me. I look forward to continuing the conversation!

Are you seeking a deeper way to live out your faith in concrete ways? We are looking for mission-oriented individuals to join our Outreach Ministry at Clare House!

## July: Back to School Program

During the month of July we will be collecting Target gift cards in the school house near the sanctuary to support our Back to School program. \$25 Target gift cards are available for purchase and donations can be made at the parish center. All donations will be converted to gift cards.

We will NOT be collecting school supplies this year— only cash, check, or gift cards please!

## Why, you may ask?

It is fundamental that we strive in all our service activities to empower those on the margins. Gift cards allow clients to make their own decisions about what supplies, bags, shoes, etc. they would like for their family. This enhances their agency in the process and respects their human dignity as individuals. With this in mind, please consider making a donation to support our families in need. Thank you for your generosity!

CATHOLIC CHARITIES USA

## WASHINGTON WEEKLY

Last week, the Senate decided to hold off on voting on their repeal of the Affordable Care Act, Better Care Reconciliation Act of 2017 (BCRA) until after the break.

Catholic Charities rejected the Senate health care bill because the drastic cuts to Medicaid would leave millions of poor and vulnerable Americans stranded without health care coverage. The Congressional Budget Office estimates that 22 million Americans would lose health care, including 15 million people next year alone under BCRA. The U.S. Conference of Catholic Bishops has also called the Senate draft "unacceptable."

*BCRA* reduces coverage for those least able to afford it. By eliminating the Medicaid expansion which provides access to health care coverage to over 10 million individuals and changing traditional Medicaid from an entitlement to a block grant, millions of low-income individuals and families will lose access to affordable health care coverage.

CCUSA's work is rooted in the Church's moral and social teaching, which holds in accordance with human dignity, that health care is a basic human right. Across the country, Catholic Charities agencies provided health care-related services to more than 860,000 individuals. These agencies see firsthand the devastating consequences of inadequate health care. They see the consequences of untreated mental illness, they work to respond to the growing opioid epidemic and they support families who are struggling between the decision whether to pay a health care bills or their rent.

Urge Congress instead to work for a health care bill which truly expands coverage, reduces costs and respects human life and dignity.

When Congress returns, they will have a busy month debating and possibility making historic decisions on the future of our country's health care system and

programs which help the poor and vulnerable. Now is the time to let them know that the poor and vulnerable must be protected.

Here are some ways you can help make a difference:

1. Call or email your Senator about their health care bill: Now is the time to tell your Senator that you stand with Catholic Charities USA and that they should reject their health care bill. Take action today and email your Senator.
2. Connect with your local office: You don't have to be in Washington to have your voice heard. Call or go to your local congressional office and remind them of why health care is important and why they should adopt a budget which prioritizes the poor and vulnerable in our communities.
3. Invite your Member: If you volunteer or work for a local Catholic Charities program, invite your member of congress to see your program or meet the people you serve so they can learn more about the challenges the poor and vulnerable face in their communities. Pope Francis consistently reminds us of the powerful importance that can take place when people truly encounter their brothers and sisters in need.
4. Pray: Pray that our nation's leaders are guided each day by the need to work for a more just society. That the ideals of our Nation's founding give rise to a nation and community that truly recognizes that all people have inherent dignity and worth. Remember also in your prayers those who still live a life of insecurity and fear.
