Reflection

The Scriptures today remind us that "we, many though we are, are one body for we all partake of the one loaf." How are we using our gifts of time and talent to build up the body of Christ?

Living Stewardship

We are grateful for all stewards who accepted Jesus' mission as their own at Baptism and depend on the Eucharist to nourish and sustain them for the challenge of putting God first in their lives.

We Are The Light Of Christ!

Even though our annual Stewardship Time and Talent Renewal has come to a close, the challenge to use our gifts continues! Thank you to all those who completed a Commitment Form. And, thanks to all of you who share God's gifts as people of faith in your everyday lives — at home, in your workplace, in the community and our parish — in the world! As Christian stewards we accept the invitation to be Christ's Light in the world by using our gifts to help build God's Kingdom!

Diocese of Rockville Centre Office for the Protection of Children and Young People

Summer, for children, often means more unstructured time and maybe less supervision. Don't fall into the trap of letting social media and the internet become your child's connection for peer interactions. Commonsensemedia.org offers suggestions for safe on-line apps for children of all ages and tips for parents concerned about their children's internet use.

The Office for the Protection of Children and Young People maintains a confidential phone line: 1-516-594-9063. We are available to help you or anyone who has been abused or victimized by someone representing the Catholic Church. All calls are responded to within 24 hours

Parish Social Ministry

The goal of Parish Social Ministry is to engage parishioners in social justice and outreach activities that allow us to live out the Gospel call to serve others and to build the Kingdom of God. Clare House is a community space where we exchange resources, offer assistance, and build relationships.

The Outreach Ministry at Clare House offers direct service to community members facing difficulties of all kinds. We strive to build authentic relationships with every individual who walks through the door and commit to journey in solidarity with them. We offer assistance to alleviate immediate needs. Clients receive access to: food pantry, thrift shop, case management, advocacy, information and referral, and other resources.

The Social Justice Ministry at Clare House works to expand our understanding and application of Catholic Social Justice through the use of praxis. We employ the "See, Judge, Act" Method to examine pressing social problems. By utilizing education, advocacy, and community organizing we put our faith in action to address structural issues and eliminate systemic injustice. We feed the hungry and ask why they are hungry. The Social Justice Committee meets first Thursdays at 7pm in Clare House. ALL ARE WELCOME!

I welcome your calls, emails, and letters to express feedback - positive or negative - on any aspect of our PSM program. Dialogue is essential for clarification of thought. Thank you to those of you who have contacted me. I look forward to continuing the conversation!

With a Unified Voice, Catholics Respond to U.S. Pulling Out of Climate Change Agreement

The U.S. Catholic Church responded swiftly and with dismay and disappointment to President Trump's decision to pull the United States out of the Paris Climate Agreement. In May, Pope Francis gifted President Trump a copy of his encyclical, *Laudato Si'* (June 18 marks the 2nd anniversary), and the Vatican encouraged United States leadership in the international effort to confront climate change.

Catholic teaching insists that climate change is a grave moral issue that threatens our commitments: to protect human life, health, dignity, and security; to exercise a preferential option for the poor; to promote the common good of which the climate is part; to live in solidarity with future generations; to realize peace; and to care for God's good gift of creation.

Catholic Climate Covenant organized a statement signed by leaders from eleven Catholic organizations who expressed "deep disappointment" over President Trump's decision to withdraw the United States from the Paris Agreement and cease American contributions to the U.N. Green Climate Fund that helps poorer nations address climate change. Bishop Oscar Cantú of Las Cruces, chairman of the United States Catholic Conference of Bishops (USCCB) Committee on International Justice and Peace, issued a statement reminding all that the USCCB, along with Pope Francis and the entire Catholic Church, have consistently upheld the Paris agreement as an important international mechanism to promote environmental stewardship and encourage climate change mitigation. He called the President's decision not to honor the U.S. commitment to the Paris agreement, "deeply troubling".

Other U.S. Catholic statements were issued by Catholic Relief Services, Sisters of Mercy, Columban Center for Advocacy and Outreach, Pax Christi USA, and Franciscan Action Network.

Since Saint John Paul II's 1990 World Day of Peace Message, the Catholic Church has recognized climate change as a moral issue that indicts key commitments of Catholic Social Teaching. Additionally, Pope Francis, Pope Emeritus Benedict XVI, the U.S. Conference of Catholic Bishops, 15,000 U.S. Catholics, majorities of Americans in every state,

and hundreds of U.S. businesses – including major fossil fuel companies – support an international climate change agreement.

Catholics care about climate change. We care about the poor. And unless we uplift our voices and get to work ourselves, the future of our common home is at stake. The federal government may be abdicating leadership, yet Catholics will help lead the way to climate justice!

To send President Trump a message stating your dismay at his decision and pledging to take action on climate justice go here: <http://tiny.cc/responsetopariswithdrawal>

9 Days of Prayer on the Anniversary of *Laudato Si'*

An invitation to pray the Prayer for our Earth from *Laudato Si'*

Each day's reflection comprises:

- A verse and refrain from a Prayer for our Earth
- A short video (1-3 minutes in length) in the form of a reflection, song or story"

Day 1 - All-powerful God, you are present in the whole universe and in the smallest of your creatures.

Day 2 - Pour out upon us the power of your love, that we may protect life and beauty.

Day 3 - Fill us with peace, that we may live as brothers and sisters, harming no one.

Day 4 - O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.

Day 5 - Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction.

Day 6 - Touch the hearts of those who look only for gain at the expense of the poor and the earth.

Day 7 - Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light.

Day 8 - We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace.

Day 9 - Pray the complete prayer today with new insight and understanding
