FORGIVE

Lord, if my brother sins against me,  
how often must I forgive?  
As many as seven times? Jesus answered,  
"I say to you, not seven times  
but seventy-seven times."

# Parish Social Ministry

The goal of Parish Social Ministry is to engage parishioners in social justice and outreach activities that allow us to live out the Gospel call to serve others and to build the Kingdom of God. Clare House is a community space where we exchange resources, offer assistance, and build relationships.

The Outreach Ministry at Clare House offers direct service to community members facing difficulties of all kinds. We strive to build authentic relationships with every individual who walks through the door and commit to journey in solidarity with them. We offer assistance to alleviate immediate needs. Clients receive access to: food pantry, thrift shop, case management, advocacy, information and referral, and other resources.

The Social Justice Ministry at Clare House works to expand our understanding and application of Catholic Social Justice through the use of praxis. We employ the "See, Judge, Act" Method to examine pressing social problems. By utilizing education, advocacy, and community organizing we put our faith in action to address structural issues and eliminate systemic injustice. We feed the hungry and ask why they are hungry. The Social Justice Committee meets first Thursdays at 7pm in Clare House. ALL ARE WELCOME!

I welcome your calls, emails, and letters to express feedback - positive or negative - on any aspect of our PSM program. Dialogue is essential for clarification of thought. Thank you to those of you who have contacted me. I look forward to continuing the conversation!

USCCB President, Vice President and  
Committee Chairmen

## Denounce Administration's Decision to End DACA and Strongly Urge Congress to Find Legislative Solution

WASHINGTON— Sept. 5, 2017

The following statement from USCCB President Cardinal Daniel N. DiNardo of Galveston-Houston, along with USCCB Vice President, Archbishop José H. Gomez of Los Angeles, Bishop Joe S. Vásquez of Austin, chairman, Committee on Migration, and Bishop Joseph J. Tyson of Yakima, chairman of the Subcommittee on Pastoral Care of Migrants, Refugees, and Travelers says the “cancellation of the DACA program is reprehensible.”

Over 780,000 youth received protection from the DACA program since its inception by the Department of Homeland Security (DHS) in 2012. DACA provided no legal status or government benefits but did provide recipients with temporary employment authorization to work in the United States and relieve from deportation.

Full statement follows:

“The cancellation of the DACA program is reprehensible. It causes unnecessary fear for DACA youth and their families. These youth entered the U.S. as minors and often know America as their only home. The Catholic Church has long watched with pride and admiration as DACA youth live out their daily lives with hope and a determination to flourish and contribute to society: continuing to work and provide for their families, continuing to serve in the military, and continuing to receive an education. Now, after months of anxiety and fear about their futures, these brave young people face deportation. This decision is unacceptable and does not reflect who we are as Americans.

The Church has recognized and proclaimed the need to welcome young people: ‘Whoever welcomes one of these children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me’ (Mark 9:37). Today, our nation has done the opposite of how Scripture calls us to respond. It is a step back from the progress that we need to make as a country. Today’s actions represent a heartbreaking moment in our

history that shows the absence of mercy and good will, and a short-sighted vision for the future. DACA youth are woven into the fabric of our country and of our Church, and are, by every social and human measure, American youth.

We strongly urge Congress to act and immediately resume work toward a legislative solution. We pledge our support to work on finding an expeditious means of protection for DACA youth.

As people of faith, we say to DACA youth – regardless of your immigration status, you are children of God and welcome in the Catholic Church. The Catholic Church supports you and will advocate for you.”

## CCUSA responds to the administration's decision to end DACA

ALEXANDRIA, VA.—Sept. 5, 2017

“Catholic Charities USA is devastated by the administration’s shameful and cruel decision to end the DACA program. The DACA program has offered protection and opportunity to nearly 800,000 young people who were mere children when they were brought to this country for a chance at a better life. As it has done for more than 100 years, CCUSA will continue to support and advocate on behalf of persons regardless of immigration status.

“DACA recipients have contributed in many ways to our country: some have served proudly in the U.S. military, others have become leaders in local communities and others have built careers and families. Their world will now be turned upside down as this decision means their ability to work and contribute fully to society will come to an end. Hundreds of thousands of people – moms, dads, brothers, sisters, sons and daughters – will now live in fear of deportation, potentially forced to leave their families and return to a country they have likely never called home.

“This should not be a political issue, but rather is a profoundly moral and human issue which challenges what this country stands for. CCUSA therefore urges Congress to act now on a legislative solution which protects those protected by DACA so that they can live without fear of

deportation and contribute fully to our nation, communities and their families.” The individuals affected by this decision are all children of God. The Catholic Charities ministry joins the U.S. Conference of Catholic Bishops in calling for meaningful and compassionate immigration legislation.

## STAND IN SUPPORT OF DREAMERS

The Dream Act of 2017 (S 1615 / HR 3440) was introduced in Congress as a bipartisan effort earlier this year. It is intended to protect immigrant youth who entered the United States as children and know America as their only home. The bill offers qualifying immigrant youth “conditional permanent resident status” and a path to full lawful permanent residency and eventual citizenship. This bill would protect numerous youth, including the estimated 780,000 individuals who received temporary relief from deportation and employment eligibility through the Department of Homeland Security’s Deferred Action for Childhood Arrivals (DACA) program.

The young people the Dream Act seeks to protect are contributors to our economy, veterans of our military, academic standouts in our universities, and leaders in our parishes and communities. Throughout the Ignatian network, there is a great tradition of supporting young immigrants seeking to earn an education and contribute to our communities. As a network grounded in the values of the Gospels, we are called to stand with these young people as they seek to be treated with dignity.

Join the Ignatian Solidarity Network in urging your Congresspersons to co-sponsor and support the Dream Act of 2017, S. 1615 / HR 3440.
