AWARENESS SUNDAY: Understanding Heroin

Over the past year, religious leaders from across the region have been meeting to discuss and implement efforts and programs to address the heroin crisis in our region and state. **Sunday, April 23** has been slated as **Awareness Sunday**. Next Saturday, **April 29 is Drug Take Back Day**. Old/unused pain medications can be dropped off at local police stations. The effort is to bring the heroin crisis to the attention of our community and faith congregation.

From the National Institute on Drug Abuse:

Many do not understand why or how other people become addicted to drugs. It is often mistakenly assumed that drug abusers lack moral principles or willpower and that they could stop using drugs simply by choosing to change their behavior.

In reality, drug addiction is a complex disease and quitting takes more than good intentions or a strong will. In fact, because drugs change the brain in ways that foster compulsive drug abuse, quitting is difficult, even for those who are ready to do so.

Visit www.GreaterThanHeroin.com for more information and resources on how you can help, get help or learn more.

The generosity of our Parishioners & Friends has brought St. Barbara Church the following:

Collection for Easter - \$5,702
Maintenance Fund - \$119

Thank you! Dziękuję bardzo!
