St. Lawrence Spotlight

Caleb Carrlson and Wyatt Guck are recent members of the graduating class of 2018. They truly are two of the nicest young men that you will ever come across. Lectoring, ushering, and assisting various priests as altar servers are just a few of the activities they have been involved in over the years, and both have chosen vocations where they will continue to serve the people around them. Wyatt plans on going into law enforcement and will join his brother as a member of the National Guard, while Caleb will be working locally for a year and then will fulfill his dream of entering the seminary and eventually becoming a Priest. As your parish family, we thank you both for all you have done for our parish and for the wonderful example you have set for the young people around you. May you always know the very best of God's blessings. We are very proud of you and we pray that God continues to guide you as you walk boldly into the future, forever keeping with you the presence of God's amazing love.

"I am confident of this, that the one who began a good work in you will continue to complete it until the day of Christ Jesus."
