*At Cana we get a good insight into Mary's parenting style.
 She did not plead, argue, demand or manipulate.
 She merely pointed out the situation and trusted her Son would make the best decision.*

LENTEN PROGRAM: Don't look now, but Lent begins three weeks from Wednesday! An alert parishioner has found a Lenten program that will help us have deeper relationship with God and a better understanding of your faith. Please join us for *Unlocking the Mystery of the Bible*. You will not only benefit personally from being part of this study; you will also help to bring about a profound renewal in our parish as we grow closer to Christ. Saint Anthony will begin *Unlocking the Mystery of the Bible* on Thursday, February 11th at 7:00 p.m. For more information or to sign up, visit Evangelization.com, or contact the rectory.

"Unlocking the Mystery of the Bible" helps you uncover the story woven through Scripture with its clever narrative approach and ingenious color-coded "Bible Timeline Chart". It is a great way to get the "big picture" of the Bible and see how our Catholic Faith is rooted in Scripture. You'll see how the Bible reveals God's loving plan for your life, and you will learn helpful ways to put your faith into practice.

The study includes a series of eight informative and engaging half-hour videos presented by Jeff Cavins. Each video will be followed by a group discussion. You can sign up for the study at Evangelization.com, or by contacting the rectory. You will receive this color-coded "Bible Timeline Chart", a Bible study workbook, and the ability to stream the study videos online at your convenience. Since a family needs only one set of materials, the registration cost will be only \$10 per family.

CHRISTMAS THANKS: I want to thank all the parishioners who remembered me at Christmas. Some of the presents make me look good when I wear them, some went into my wallet, some were Scrip cards, and some were delicious. You are kind and supportive all year long, but I wanted to give you special thanks after Christmas.

THANKS TO SCHOOL CHILDREN: The school children made special Christmas cards for our shut-in parishioners and for parishioners in nursing homes. The Communion distributors reported that our elder members were very happy that they were remembered at Christmas. I received homemade Christmas cards too. They were all memorable; some were very memorable.

You may have noticed that two weeks ago, the school page of the bulletin featured one-sentence statements from students in grades 3, 5 and 7 about why they are happy to attend St. Anthony School. Their statements show that they really have caught on to our school's mission. Thank you, students! You are our best recruiters.

WEDDING FEAST OF CANA: St. John says that this was the first of the signs that Jesus worked; it caused His disciples to come to believe in Him. (St. John never speaks of miracles; he always calls Jesus' mighty works "signs.") I believe that this work signifies several things.

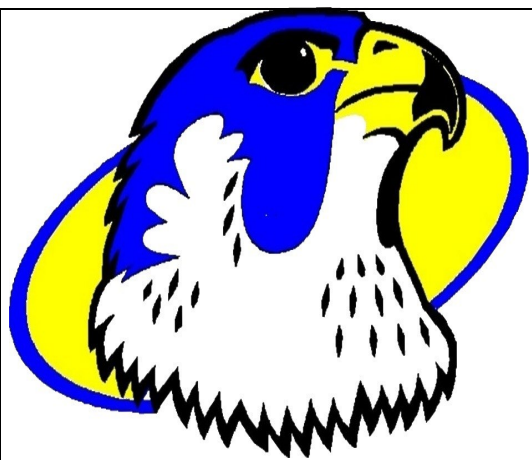

First, the goodness of marriage: By His presence at Cana, Jesus blessed all marriages. He showed that the natural love of man and woman is a gift of God. Just as water (a good and necessary thing) was transformed into excellent wine (a much better thing, the thing of celebration), so the presence of God transforms human love into a symbol of divine love. God's love for us is unconditional; God's love for us is eternal; God's love for us is life-giving. That is why the Church teaches that in marriage, the couple is to offer each other unconditional love; they intend love "until death do us part"; they are open to cooperation with God in bringing new life into the world.

Second, the joy of having God among us: What could be more joyful than to know that God has committed Himself to us? We are totally undeserving, but God's grace makes us deserving of having God as an intimate part of our lives.

Third, it points to the Eucharist: Water became choice wine for the wedding banquet. Jesus will give a far greater sign at the Last Supper, when He changed wine into His blood. God joins Himself to us, we become the Body of Christ, and Jesus is the means for us to celebrate our unity with God.

Fourth, it points to the wedding banquet at the end of time: The Bible begins with a wedding, when God gives Eve to Adam. Then it ends with a wedding. The Book of Revelation ends with the wedding feast of the Lamb of God. The heavenly Jerusalem appears "prepared as a bride adorned for her husband." And the unending banquet begins, with everyone drinking to the full of the goodness and love of our God.

High School Credit for 8th Graders

St Anthony 8th grade students are offered the opportunity to take Physical Education for ¼ of High School credit. The 8th graders follow the 9th Grade Curriculum for P.E. This involves an additional period of P.E. class during the First Semester. Archery is one of the units of instruction. The pictures are taken of our students practicing their archery skills.

***This PE class will be calculated into the students' GPA their Freshman year.**

Archery in 8th Grade Physical Education

The 8th grade students, in physical education class, participated in an archery unit. Brian Barhorst, the associate executive director for the Putnam County YMCA, led the classes. He taught the importance of safety and proper technique when shooting at targets. Also, he had students in teams compete against one another trying to earn the most points. The students enjoyed learning this recreational activity.
