**Mary and Joseph must have been proud when their village all spoke well of Jesus
and were amazed at His words.
But they probably felt shame when the same people drove Him out of town.
Like Mary and Joseph, the highs and lows of parenting are our paths to being a Holy Family.**

That Man Is You ~ The first two sessions this year focused on reviewing what we learned during the first semester. We reviewed the four leadership roles of men and the five personal characteristics of authentic leaders. During the next sessions, we will prepare for the Lenten Journey part of the program, which is considered the highlight of the spring semester. This is a perfect time to enter the program and a great way to grow in faith during Lent. Wherever you are in your spiritual life, Jesus Christ wants to encounter you right there... and take you further. We currently have 40+ men in the program, and would like to invite men of the parish to join us Saturday mornings, 6:00 a.m. to 7:30 a.m. in the parish hall.

Adult Bible Study ~ Will be meeting **Tuesday, February 2nd**, 7:00 p.m. in the Enrichment Center. In this session we will cover: Walk Through The Mass, Exploring the Sacred Liturgy. From the time of the Apostles, Christians have gathered on Sundays to celebrate the Lord's Supper. In order to better appreciate the sacred mysteries of the Liturgy, we need to understand how the Mass is arranged and what happens in each of its four basic parts. As we do so, we enter more profoundly into the sacred Liturgy and encounter Jesus, present and alive for us today. All are welcome.

Columbus Grove American Legion ~ The American Legion will be hosting their annual Fish Fries every Friday, beginning **January 8th through Easter**. Meals will be served from 5:00 to 7:00 p.m. Carry-outs are available. Come and enjoy good food with your family and friends!

Also available will be water, pop, and adult beverages. There will be \$.50 raffle tickets for a chance to win a prize like an Ohio State Block O sun catcher donated by Tammy Morman. This is a family friendly event and open to the public. All proceeds will sponsor future High Flyers events. Thanks for your support.

The K of C members will be leading the Rosary before the Masses the weekend of February 6th & 7th.

Women Of The Parish ~ Women of the Parish: In the sermon last Sunday, Father Tom asked, "Why are we here?" His answer was 1st..... to worship God; 2ndto make disciples and to serve the world; 3rdto heal the brokenhearted; and last.....to extend an invitation. For most of us Christians, this sounds very difficult. Perhaps we could start with something simple and accept the extended invitation to join Christ Renews His Parish (CRHP) at their next retreat on February 20th and 21st. It is being held in the school starting on Saturday at 9:00 a.m. and ends on Sunday at 4:00 p.m. Even though this is an overnight retreat, it is not required to spend the night. To register or get more information, please call the rectory at 419-659-2263, Anne Schroeder at 419-659-5989 or Marilyn Birkemeier at 419-659-2954.

A Note From Janet Klinker ~ What is it ~ **Christ Renews His Parish?** That is the question I asked myself when I attended the CRHP weekend two years ago. I believe God called me to be a part of the St. Anthony's retreat. I am so thankful I went. It was very inspirational and uplifting. It is a personal time to develop a deeper understanding of God's love and His purpose for my life. In Psalms 139, it explains that God is all seeing, all knowing, all powerful and ever present. God knows us and God is always with us. The greatest gift is that God allows us to know Him. We share with each other the tools to know God and how to turn our lives over to God completely. A friend had given me a prayer years ago which has helped me to stay more on God's path. Come Holy Spirit. Fill my heart with your presence, my mind with your thoughts, and my soul with your will, so that I may understand your message to me and better know your purpose and plans for my life. May I feel your peace and know your love for me so that I may go forth and better serve you, oh Lord, I pray. Amen. Proverbs 4:23 ~ Above all else guard your hearts. For everything you do flows from it. **CRHP** is a wonderful, life changing experience! The gals from last year's group have a weekend planned that they would like to share. You are important to us. Please come. God wants unity with the women in our parish. Thank you for letting me share.

Bethlehem Christian Families ~ We are proud to introduce ourselves as the "Bethlehem Christian Families", from the Holy Land. We have come to the United States representing the Christian wood carvers of Bethlehem that rely on the tourism to support their families. Due to the bad situation and the interruption of the tourist trade, more than 800 families in the Holy Land are in danger of having to leave their homes in search of work. Our mission is to bring and sell the Olive Wood Carvings to the Catholic Churches in the United States to help the Christian families remain in their homes and support their families. These Christians who make their livelihood through the selling of their hand carved Olive Wood religious items, are depending on us to bring these beautiful carvings such as Nativity Scenes, Crucifixes, Rosaries, Statues, Pictures of the Last Supper, and many other religious items to you. Please look over these carvings that are available to you the weekend of **February 6th & 7th** and help support this self-help project that enables to keep the Christians present in the Holy Land. Your help and understanding in this crucial matter is greatly appreciated.

Look Good....Feel Better ~ The Look Good....Feel Better program is being held on **Monday, February 15th**, 3:00 to 4:00 p.m. at St. Rita's Ambulatory Care Center in Glandorf. When a woman is undergoing treatment for cancer, she may lose her hair and experience other appearance-related side-effects. The impact can be devastating, making a hard time even harder. The American Cancer Society Look Good...Feel Better program is here to help by putting you in touch with experts who will teach you beauty techniques just for women in your situation. Specially trained volunteer beauty professionals lead small groups through practical, hands-on experience. Women learn about makeup, skin care, nail care, and ways to deal with hair loss such as with wigs, turbans, and scarves. Each woman gets a **free makeup kit** to use during and after the workshop. Most of all, participants share laughter and camaraderie as only women going through the cancer journey can. No one should have to face cancer alone. Since 1989, Look Good...Feel Better has been helping cancer survivors. Registration is required for this **FREE** program. To register call 1-888-227-6446.

A Note from Fr. Tom

CATHOLIC SCHOOLS WEEK: Things were so different when I was a student in our parish school in Toledo. Tuition was \$5 a year (\$10 maximum for a family). All the teachers and the principal were Franciscan Sisters from Sylvania. The principal doubled as the full-time 2nd-grade teacher. Religion class consisted of reciting the catechism answers that you had memorized, unless one of the assistant pastors took the class – a break we dearly loved. There was no phone in the school. If the principal needed to call someone, she had to walk home to use the phone in the convent. We went to Mass in Latin every day. The hymns were in Polish, and sometimes we got in trouble for butchering the pronunciation. There were more than 50 kids in every classroom. Grades 1 and 2 had more than 80 kids; we were the beginning of the post-war baby boom. When the rooms were closed up tight during the winter, they smelled pretty funky by lunchtime. You had to be very careful on the playground, because even with that mob of kids running around, the big boys were allowed to play pass-and-tap football, and you could be trampled. If Sister called your mother about something bad you had done, you would get a second punishment, only worse. The pastor handed out report cards personally, and bawled kids out in front of the class if they got bad grades in religion, conduct or effort. And we wouldn't have dreamed of going to school anywhere else.

I think that the only thing that hasn't changed is the pass-and-tap football games, but they take place at the east end of the playground, so no one gets trampled. That and the fact that we had quality education in my day (how, with 80 kids in a room I'll never know), and we still do today. Just notice how many St. Anthony kids are on the honor roll at Columbus Grove High School. Just notice how many of our graduates we can really be proud of. Just notice that our young people in Grades K to 8 are already children to be proud of, because they've been given strong personal values to go with the education they received. The most important thing that hasn't changed is that Jesus Christ is still the unseen Teacher in every classroom. What can be more important than providing a setting where children can learn from Him?

LENT IS ALMOST HERE! In eleven days it will be Lent. We will fast on Ash Wednesday and Good Friday, and abstain from meat on all other Fridays. We will have Stations of the Cross on Fridays at 1 p.m. There will be extra Confession times – more than usual, because of the Jubilee Year of Mercy. And there will be adult education. I believe in offering a parish mission or an educational series during Lent because such events are one more opportunity for adults to conform themselves to Christ. This year's series is a video series called "Unlocking the Mystery of the Bible." It will take place on Thursdays at 7 p.m. in our parish hall, starting February 11. For more information or to sign up, visit Evangelization.com, or contact the rectory.

"Unlocking the Mystery of the Bible" helps you uncover the story woven through Scripture with its clever narrative approach and ingenious color-coded "Bible Timeline Chart". It is a great way to get the "big picture" of the Bible and see how our Catholic Faith is rooted in Scripture. You'll see how the Bible reveals God's loving plan for your life, and you will learn helpful ways to put your faith into practice.

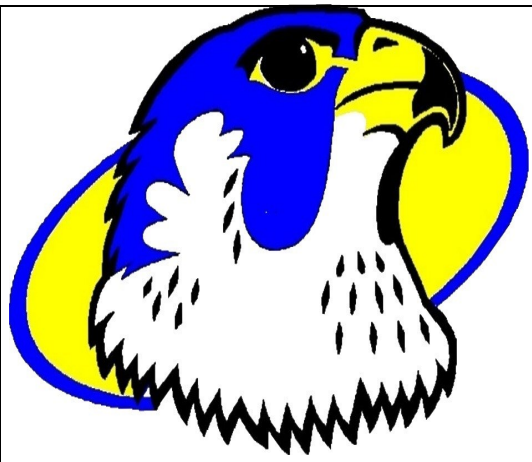

The study includes a series of eight informative and engaging half-hour videos presented by Jeff Cavins. Each video will be followed by a group discussion. You can sign up for the study at Evangelization.com, or by contacting the rectory. You will receive this color-coded "Bible Timeline Chart", a Bible study workbook, and the ability to stream the study videos online at your convenience. Since a family needs only one set of materials, the registration cost will be only \$10 per family.

HEARTY THANKS to Kelly McCrate and Doug Hopkins for the new tile floor in our parish kitchen. Since this tile is not porous, nothing will be able to seep through from beneath and stain it. We are very grateful to these gentlemen.

We are also grateful to Steve and Nathan Birkemeier for grading our new property and planting grass. Their next step will be to install drainage tile, and tie it in to the storm sewer on DeBlanche Street. Then we can get to work on people's ideas for improving the property so that it will serve our needs.

And let's not forget Mike Birkemeier, who keeps our tower bell and our sound systems in the church and the school in tip-top shape.

Teacher In-service

All St. Anthony's teachers and Mrs. Giesige attended a split session technology in-service on Thursday, January 21st. Joni Coci, Technology Coordinator, from the Toledo Diocese came and presented a morning and afternoon session on how to utilize Google Documents in our educational setting. Each classroom was assigned a substitute teacher for a morning or afternoon session. In so doing, all teachers were able to attend and students had a full day of attendance. Thanks to the Diocese for providing the skilled personnel so that our teachers can continue to grow in technology and expertise. Thanks for the teachers also for their willingness to learn new skills that they can pass on to our students.
