MINISTRY FOR DIVORCED CATHOLICS

At the Bishop's Listening Sessions there was a repeated request for ministry to Catholics who are divorced. We are beginning a twelve week program that features 30 minute DVD's followed by discussion. Beginning **Tuesday, August 26**, we will meet weekly on Tuesdays from 6:30 pm until 8:00 at the Pastoral Center at 11 North B Street. For more information, go to CatholicsDivorce.com. To register on the Diocesan website: ptdiocese.org, and click on Event Registration. The cost is \$20 to cover materials but cost should not keep you from registering. You may pay on line or bring the payment to the first session. For more information, call Sr. Beth 435-3553 or Louis See at 435-3532.

THE ROCK

Peter was Jesus' choice to lead the fragile band of apostles. In today's Gospel, Simon is given a new name--Peter, the "rock." In John's Gospel, Peter is called to be a shepherd. He is expected to lay down his life for his sheep. And tradition tells us that he did just that. But today we think about the durable rocklike quality that Jesus needed in a leader. Peter was appointed to his leadership position for reasons we are not able to fathom. God knows, and Jesus knew well, that Peter was flawed. We cannot mistake his enthusiasms, though, his manifest love, and his great, exuberant faith. Those virtues saw him through. They are durable, tough, beautiful virtues. They make Peter a sympathetic and lovable person. They provide us with the balance and humor that we need as we consider our own roles in the universal church. Copyright (c) J. S. Paluch Co.

TREASURES FROM OUR TRADITION

In recent weeks, we have looked at the evolution of how Roman Catholics initiate children into the life of the Church. How did customs evolve in the Eastern Church? At one time, Christians in both East and West preferred to celebrate baptism in a community setting, with large numbers of adults and children initiated at Easter. The two branches of Christianity began to split on the proper time to do this. In the East, water was blessed in abundance on the feast of the Epiphany, which marked, among other things, the baptism of the Lord. Once infant baptism was fixed on that day, local customs marking a birth began to evolve. One celebration was the giving of a name on the eighth day, another was the "purification" of the mother on the fortieth day after birth. In that blessing, re-enacting Mary and Joseph's journey to the temple, the priest took the baby in his arms and placed the child before the altar. Just as Simeon received the child Jesus, so the priest received the new Christian while chanting Simeon's prayer. Later, normally on Epiphany, the priest would baptize, chrismate (confirm), and give a few drops of the Precious Blood to the child in a joyous celebration of the whole community.
