Growing in Faith

Why do Catholics have crucifixes in church?

The crucifix—a cross with Jesus' body on it—reminds us of the price of our salvation and God's infinite love for us; "God so loved the world that He gave His only Son to death on a cross" (John 3:16).

A crucifix helps us to remember that the sacrifice of Christ and the sacrifice of the Eucharist are one single sacrifice (Catechism of the Catholic Church, 1545). During Mass, Jesus, through the priest, offers Himself to the Father for us.
