Child Protection and Creating Safe Environments Human Trafficking and Protecting our Youth:

Trafficking of youth is a form of modern slavery. It includes both sex trafficking and forced labor. Any child under age 18 engaged in commercial sex is a victim of sex trafficking, even if the youth's participation is not forced or coerced. Be aware of recruiting tactics. Traffickers target victims through social media sites, telephone chat lines, afterschool programs, at shopping malls, bus depots, clubs/bars or through friends and acquaintances. To help protect your child, ask questions about your child's friends, monitor their computer use and know where he/she hangs out.
