## Vacation Bible School

Vacation Bible School was held Tuesday, June 23<sup>rd</sup> - Thursday, June 25<sup>th</sup>. Our theme was "Hometown Nazareth, Where Jesus was a Kid".

We would like to thank everyone who helped in any way to make our VBS such a rewarding experience! It was great to see the children's faces light up while learning about Jesus through prayer, song, art, and games.

We could not have done it without our terrific volunteers. Our adult volunteers were Beth Burdick, Helen Cox, Dawn Kelley, Kathy Larson, Barb Meier, Nicole Smykal and Jodi Struzynski. Our student volunteers were Anna Caswell, Ashley Caswell, Anna Eisch, Kenny Radermacher, Hannah Struzynski and Hailey Struzynski.

We are also grateful for all the support from our wonderful office staff.

Thank you to all those who contributed in any way. A special thank you to Granny's Greenery for the beautiful plants to landscape our VBS and the flowers they donated for students to take home.

## **Algunas Reflexiones Sobre el Matrimonio —** por el Padre David Greskowiak

Algunas personas pueden sentir que la decisión de la Corte Suprema el 26 de junio para legalizar el matrimonio entre personas del mismo sexo ha redefinido la santificada y la sagrada institución del matrimonio a lo largo de nuestro país. Déjame decirte sin embargo que ningún cambio ha ocurrido en la iglesia católica, nuestra iglesia, ni lo será. El Catecismo de la Iglesia Católica afirma que el matrimonio es: "un pacto o asociación de vida entre un hombre y una mujer, que es ordenada para el bienestar de los cónyuges y la procreación y la crianza de los hijos. Esta es la antigua enseñanza de la iglesia, y ninguna persona civil, judicial o política tiene autoridad para desafiar, cambiar o interferir con él dentro de la iglesia; y ningún católico practicante ligeramente lo debe ignorar. Esto es tanto un asunto de libertad religiosa y de la moralidad personal.

La enseñanza de la iglesia sobre el matrimonio tiene sus raíces en la Sagrada Escritura y la Ley Natural. La ley natural es una filosofía de la ley que dice que vinculando las normas de comportamiento moral para los individuos y para las sociedades se puede deducir de la naturaleza por el simple uso de la razón humana. Aplicando este al matrimonio podemos ver fácilmente que por naturaleza sólo la unión de un hombre y una mujer puede producir a niños. Dos hombres o dos mujeres no lo pueden hacer. En la iglesia católica, la apertura a los niños es uno de los ingredientes necesarios para el matrimonio. La iglesia también reconoce la capacidad de las parejas casadas que no tienen o no pueden tener los niños para generar fertilidad en otras maneras de amantes.

El Catecismo dice: "La Sagrada Escritura comienza con la creación de hombre y mujer a imagen y semejanza de Dios y concluye con una visión de 'el banquete de bodas del cordero.'" Además dice: "Dios mismo es el autor del matrimonio. La vocación al matrimonio está escrita en la propia naturaleza del hombre y de la mujer quienes se hicieron de la mano del creador.

El matrimonio no es una institución puramente humana a pesar de las muchas variantes que pueden haber sido sometidos a través de los siglos en diferentes culturas, estructuras sociales y actitudes espirituales." También observa que: "Cristo (mismo) eligió nacer y crecer en el seno de la Sagrada Familia de José y María".

A las personas, especialmente los católicos, que dicen que la iglesia es antigua, obsoleta, o no en mantenimiento con actitudes modernas hacia el amor y el matrimonio, yo diría sin pedir disculpas que no es nuestra iglesia que está mal, sino más bien la aceptación del matrimonio de personas del mismo sexo como parte de la "nueva normalidad" que es incorrecto. La vista de la iglesia hacia el matrimonio ha sido que el matrimonio ha podido permanecer durante mucho tiempo y está bien fundamentada, moralmente, filosóficamente y teológicamente. Yo podría comparar este punto de vista y otras enseñanzas a lugares como el Peñón de Gibraltar, Cabo de Hornos o un faro robusto en una costa escarpada. No importa lo que el viento y el mar puede hacer en cualquier momento, esos lugares todavía están parados.

Hay mucho más que se podría decir sobre el matrimonio, pero haría este artículo demasiado largo. Por ahora, se espera con respecto al tema del matrimonio, que todas las personas de fe — jóvenes, los de mediana edad, y los mayores, que en palabras de la oración del XIII Domingo del tiempo ordinario: "...no ser envueltos en las tinieblas del error pero siempre ser visto parados a la luz brillante de la verdad."
