SEMINARIAN COLLECTION

Last week or next week, you will receive a letter from Bishop Ricken requesting your help in supporting our seminarians. I would like to invite you to pray about what God is calling you to give to help support the Seminarian Collection. Please consider providing a gift of \$25, \$100, \$250, \$500 or more. As each seminarian answers a specific call to discipleship, they will rely solely on the generosity of other believers.

Please know whatever you are able to give is appreciated! Thank you in advance for responding generously to our Seminarian Collection and returning your pledge card. Our seminarians are our Hope for the Future. Let us Help them Today! As a Diocese, we anticipate costs of nearly \$1,000,000 this year for tuition, room and board, health insurance, support of the Office of Vocations which invites disciples to consider the priesthood and other expenses for our seminarians. These young men are our Hope for the Future. Thank you for your generosity as you Help them Today.

To make your gift today, visit

EIGHTEENTH SUNDAY IN ORDINARY TIME (B)

Ex 16:2-4, 12-15 / Eph 4:17, 20-24 / Jn 6:24-35

Where does food come from? In an effort to teach our children that food didn't come from grocery stores, my husband and I helped them plant tomatoes, cucumbers, and green beans in our back yard. The yield was small, but the reward was great as they tasted the work of their hands. We had somewhat more difficulty explaining the source of our protein, though they did learn how to fish. We cooked what they caught. I think they grew in appreciation of the hard work it took to put food on the table. We also learned the importance of sharing what we had by cooking for others and collecting canned goods for our local pantry.

The Israelites in the desert wondered where food was going to come from as well. The desert they wandered through was a far cry from Egypt. They forgot their enslavement and remembered only the food that they had, which seemed like a banquet compared to what the desert provided. There was nothing to plant and no place to plant it. The Israelites had to rely solely on God. God did not disappoint. First he sent quail, then a miraculous bread that was as much as they needed. It was a lesson in faith we all need to learn.

As city dwellers, we have grown to rely on the farmers, butchers, and fisherman who supply our daily food. As Christians, we again must rely solely on God for our spiritual nourishment. He sent us his Son, Jesus, who is the true bread from heaven. If we come to him, we will never hunger.
