## Safeguard the Children

### Cell phone apps allow for hiding photos and messages

A review of a young person's cell phone text messages may provide a parent or caring adult with information such as who your child talks to, where they are going, and what they're doing. Unfortunately, all of that may be in the past. Today, some new cell phone text messaging services keep cell phone texting activity increasingly private. In order to protect young people, one must stay current and reconnect with ever changing technology. For a copy of the VIRTUS® article "Vanishing, Self-Destructing Texting, and Electronic Communication," email: [jvienna@la-archdiocese.org](mailto:jvienna@la-archdiocese.org) or call (213) 637-7227.

For child safety questions contact our San Roque Religious Education Office at (805)682-1097. For particular help, call the Assistance Ministry at (213) 637-7650.
