Safeguard the Children

Keep kids aware of the dangers online

Just about everyone in your community has access to the internet, and it can be a valuable tool for learning, communicating and educating. In the classroom, kids can go online to do research and assignments. Adults should also be educating kids about the dangers that lurk online – predators and strangers who are trolling for information can pose as anyone, and it is important that kids use caution on any site, no matter what they are doing.

For more information on internet safety, email: jvienna@la-archdiocese.org or call (213) 637-7227 to request a copy of the VIRTUS® article "Safety and Technology."

For child safety questions contact our San Roque Religious Education Office at (805) 682-1097. For particular help, call the Assistance Ministry at (213) 637-7650.
