Safeguard the Children

What's the right age?

Many parents find it difficult to determine what responsibilities and privileges are appropriate for children at different ages. Assessing these issues are complicated further when considering safety concerns, such as how old a child should be when allowing them to use public restrooms alone. Balancing the child's emerging independence with possible risks, such as a predator near the restrooms, can be challenging. Whatever the situation, parents can make sure their children are informed about safety concerns and strategies, while they themselves remain vigilant. To request a copy of the VIRTUS® online article, "When are Children Old Enough to...?" email: jvienna@la-archdiocese.org or call (213) 637-7227.

For particular help, call the Assistance Ministry at (213) 637-7650.

Get On the Bus

Each year, the *Get On the Bus* program rallies our Catholic faith communities throughout the state to provide the children of incarcerated parents with a visit with their mother or father—a parent they likely see one day a year thanks to *Get On the Bus*.

This year over 1,000 children will board buses and travel to prisons hundreds of miles from their homes for Mother's and Father's Day. Several of those buses will be filled with children from our own community. These children are innocent victims, who are essentially serving the same sentence as their parents.

As a Church, we advocate for a more restorative model of justice that strives to bring about healing and to restore the brokenness caused by violence and criminal activity. Attending to the needs of children who have a parent in prison is a critical component of this restorative process that helps maintain family bonds and decrease recidivism. Bishop Robert Barron invites you to be partners in this special ministry by informing others, encouraging their participation and support of *Get On the Bus* program through donations, volunteer efforts and your prayers for the program and the children it serves.
