Feeding the Poor

The prophet Elisha fed a hundred people with twenty barley loaves, and there were leftovers. Jesus fed about five thousand with five barley loaves and a couple of dried fish, and there were leftovers. That is God's desire for us: everyone should find food in abundance.

Today's reality is different. Every three days more people die from malnutrition and disease than from the bombing of Hiroshima, and every year more people die from preventable hunger than died in the Holocaust, even though we grow enough grain in the world to provide every man, woman, and child with a satisfactory diet of 3000 calories.

The Second Reading from Ephesians tells us to "make every effort to preserve the unity which has the Spirit as its origin and peace as its binding force." The problem with the world is its fragmentation; it lacks unity and peace.

The problem is not with God's providence, for God has provided us with plenty enough food for everyone, and then some.

The problem is the divisions in the world that prevent food from getting to people or keep people away from the food. God has given blessings to the world: if only we could learn to use those blessings for the benefit of all.

"Since there are so many people in this world afflicted with hunger, this sacred Council urges all, both individuals and governments, to remember the saying of the Fathers: "Feed the man dying of hunger, because if you have not fed him you have killed him.""

—Vatican II, *Constitution on the Church in the Modern World* (1965) 69
Gerald Darring

Question of the Week

How do you share with others what you have?

Thank you! Thank you! Thank you!

Many thanks to our San Roque Parishioners for supporting our Bible Camp this summer by helping to provide supplies, food and donations!

For those of you who have not yet helped you still can . . .Each year during our Bible Camp we have a program called Kids-to-Kids where money is raised for other children and families around the world. This year, kids at our "Everest Bible Camp" participated in this project to help by providing Bibles for children and families in Asia. Our kids learned how they too can have an impact by sharing God's love. Our kids raised money by bringing in coins and cash during Bible Camp week. If you would like to help contribute towards this project, please make checks out to: San Roque Religious Education and note in the memo section of your check: For Bibles.

Safeguard the Children

Helping children problem solve through communication

Often the easiest response to complicated conversations is a generic one, but these moments can be opportunities to help children grow. For example: if a child comes to you and tells you that a friend is being left out of social activities, you might respond with a question, "Do you think there is anything you can do to help him/her feel more included?" Or if your child comes to you for money for social activities, instead of offering a solution, you might prompt them to consider ways that they could earn money or fundraise on their own. In this way, you are not only helping a child find a solution to an immediate situation, but also helping them to grow in wisdom and prudence. For complete VIRTUS® Article and more communication tips email: jvienna@la-archdiocese.org.

Contact our Religious Education Office for San Roque Parish's child safety activities by calling (805) 682-1097. For particular help call the Assistance Ministry at (213) 637-7650.

Are You Handicapped or Disabled?

Our church has specially designed seats for wheelchair bound parishioners and for those who are disabled. We ask those who are handicapped or disabled and interested in receiving the Holy Eucharist to please use the seats up front closest to the Altar. This is so our Presider and/or Eucharist Ministers can easily identify anyone needing assistance in receiving the Holy Eucharist during Communion. If you sit in the back, you may not be seen and may miss out on receiving this special Sacrament.
