## ***Safeguard the Children***

### **Monitor online activity on all devices**

In the past, parents had been advised to place the family computer in an open area such as a kitchen or family room so that they may easily monitor activity. Today, most social contact, especially among young people, is conducted almost exclusively on smart phones and tablets. Technology continues to rapidly change. All of us must continue our efforts to stay abreast of the many new mobile device apps that may be used by young people to communicate with others and could potentially be used to manipulate or abuse them. For a copy of the VIRTUS® article "Mobile App Danger," email: [jvienna@la-archdiocese.org](mailto:jvienna@la-archdiocese.org).

Contact our Religious Education Office for San Roque Parish's child safety activities by calling (805) 682-1097. For particular help call the Assistance Ministry at: (213) 637-7650.
