## COMING THIS SUMMER

“A Study in Biblical Typology”  
(A 4-week course with Deacon Dana)

The course will be presented in the Prayer Room of the Church on four consecutive Wednesdays: 5:30-6:30 p.m., July 18, 25, August 1 and 8. It will offer an introductory overview of the “type” links between the Old and New Testaments and will examine a sampling of the people and events in the Old Testament that foreshadow greater things in the New Testament. We will also examine how we can apply this process to a better understanding of Sacred Scripture and what it should mean to us today.

To help us plan seating and to be able to notify you of any updates, please register by emailing or calling Frank Webber at [faithformation@sumtercatholic.org](mailto:faithformation@sumtercatholic.org) or (352) 643-7017 and provide your name(s), phone number and email address.

### BIRTH OF JOHN THE BAPTIST

Today, June 24, is the birth of John the Baptist. Jesus called John the greatest of all those who had preceded him: “I tell you, among those born of women, no one is greater than John...” But John would have agreed completely with what Jesus added: “Yet the least in the kingdom of God is greater than he” (Luke 7:28).

John spent his time in the desert, an ascetic. He began to announce the coming of the kingdom and to call everyone to a fundamental reformation of life. His purpose was to prepare the way for Jesus. His baptism, he said, was for repentance. But One would come who would baptize with the Holy Spirit and fire.

John is not worthy even to carry his sandals. His attitude toward Jesus was: “He must increase; I must decrease” (John 3:30).

Distractions, fatigue, boredom at Sunday worship—maybe we experience these because we don't fully appreciate what's going on at Mass. Howard's profound and practical look at the liturgy focuses our wandering minds. It reminds us that at Mass the veil separating earth and heaven lifts, so that we stand with angels and saints in the presence of God Most High.

### Question of the Week *from the Ultimate Catholic Quiz* *Human souls*

- Are composed of the lightest, most invisible material substance known to man.
- Are generated through the co-creative powers of their parents.
- Are emanations of the divine essence.
- Are recycled from people who have died.
- None of the above.

We are in need of a few Artistic people to help with our Vacation Bible School. Painters, prop construction and background picture designers are needed. Lots of fun.

Please call Mariagnes Moran (352) 212-6048 or email her at [jimmari@aol.com](mailto:jimmari@aol.com) if you can help.

Answer for the Question of the Week B. is correct

The soul is infused into the body at the instant of conception. Since conception occurs through the action of the parents, it is proper to call their action co-creative, in the sense of "cooperating with creation". The creation that they cooperate with is the instantaneous creation of the soul by God. Without their cooperation, he would not create the soul of their child.

**With All Your Heart** offers a way to invite Catholics to fully live their faith as members of St. Vincent de Paul Parish. The aim is to strengthen parish life by increased involvement, generosity, and membership. The name is inspired by the Great Commandment taught by Jesus – *Love the Lord your God with all your heart, soul, mind and strength.* (Mk12:30). **With All Your Heart** consists of four 'Seasons of the Heart':

**Heart to Pray** (Nov., Dec., & Jan.) encourages each parishioner to go deeper in their prayer life, through which they can encounter the living Christ and experience His great mercy and love.

**Heart to Serve** (Feb., Mar., & Apr.) shows each parishioner how to put their whole heart into serving others, selflessly bringing the love of Christ to every person and into every situation.

**Heart to Share** (May, Jun., & Jul.) invites each parishioner to give freely in a spirit of faith of their time, talents, and treasures.

**Heart to Witness** (Aug., Sep., & Oct.) inspires parishioners to live the great Commission as disciples of Jesus – to welcome others and to share their joys with them in such a way that they desire to love God with all their heart.

These 'Seasons of the Heart' work together to bring about **Community** which acknowledges who we are as the Church – sisters and brothers

who must commit to grow in a loving, self-giving relationship with each other. We need each other, and only together, can we fulfill our purpose as the Body of Christ.

**Below are some activities flowing from the Seasons of 'With All Your Heart' we have instituted over the past few years.**

**Healing Prayer** – takes place after each Mass on the first weekend of the month. This is an opportunity for parishioners to come forward with their prayer intentions for physical, spiritual, or emotional healing for themselves or other family members and friends; for healing within family relationships; for healing in our society and world, and in our church.

**Elder Kindness Day** – takes place the last day of each month. This endeavor provides parishioners with the opportunity to reach out to the elders of our parish and community through a phone call, a visit, sending a card. The possibilities to reach out to the elderly are limitless.

**MyParish App** – helps keep the parishioners connected to the parish and parish activities through their Iphone or Android.

Within the App are the weekend homilies; the current bulletin; a directory of parish staff; a treasure chest of Catholic prayers; and much more. To download the app - Text APP to phone number 88202, visit [myparishapp.com](http://myparishapp.com), access your app store, or scan the QR Code below:

**"Seasonal" Calendars** – are printed in the Church bulletin on a quarterly basis providing parishioners and visitors with suggestions on how to grow deeper in their prayer life; their service to others; their call to witness their Faith; and their call to respond in a spirit of generosity and stewardship.

**Weekly Bulletin/Slides before Mass Reflections** – give parishioners the ability to focus their reflections on an aspect of their call to Disciples of the Lord in their daily life.

### Prayer for Protection during Hurricane Season

*O God, Master of this passing world, hear the humble voices of your children. The Sea of Galilee obeyed Your order and returned to its former quietude.*

*You are still the Master of land and sea. We live in the shadow of a danger over which we have no control: the Gulf, like a provoked and angry giant, can awake from its seeming lethargy, overstep its conventional boundaries, invade our land, and spread chaos and disaster.*

*During this hurricane season we turn to You, O loving Father. Spare us from past tragedies whose memories are still so vivid and whose wounds seem to refuse to heal with passing of time.*

*O Virgin, Star of the Sea, Our beloved Mother, we ask you to plead with your Son on our behalf, so that spared from the calamities common to this area and animated with a true spirit of gratitude, we will walk in the footsteps of your Divine Son to reach the heavenly Jerusalem, where a stormless eternity awaits us. Amen.*

*"High above all nations is the Lord, above the heavens His glory. He raises the needy from the dust; He lifts the poor from the ash heap; He seats them with princes of the people."*

*Adapted from psalm 113; Catholic Relief Services*

### Our Mother of Mercy Outreach

Our parish patron saint urged wealthy families and priests to work with the poor in France. St. Vincent de Paul also helped establish the Daughters of Charity, to help the poor. Eventually, St. Elizabeth Seton came to the United States and established the Sisters of Charity in Maryland. The order worked with Catholic immigrants in education, nursing and charity. St. Vincent taught, "Since Christ willed to be born poor, He makes himself the servant of the poor and shared their poverty."

School is out for summer vacation and many children may be hungry since they aren't receiving a free or reduced fee lunch at school. It is hard to believe that there are over a million children in Florida who depend on a school lunch to curb hunger. Children may only be eating once a day. When this happens, children lose interest in reading and playing. Their bones, muscles, and brains won't develop at the rate of their age. We can help them become curious, healthy, and strong by giving them food during the summer. Our pantry and local soup kitchen tries to alleviate hunger, especially for children.

Let us continue our charity for disenfranchised people by donating to our pantry and our church store. Prayer and generosity is a sign that continues the work of St. Vincent, St. Mother Teresa, and Dorothy Day. Using our time and treasure gives us benefits of faith and love.
