# Pastor's Corner

I pray these lines find all doing well. Hoping your lives are also a little easy over lightly in summer, things are great but slow in the parish.

We hear this weekend about the father of a child who has so much faith in Jesus even upon hearing the most horrible of words— “your daughter has died.” How often do we have faith in Jesus but only up to a certain point. If it seems that in a situation there is no hope of recovery, there is no “turning back” - whatever the situation. It is then that we truly need our faith. In another part of scripture we hear “Nothing is impossible for God” Jesus was being mocked by the crowd and who would have blamed the dad if he also followed along. Jesus told him to have faith (he did) and he received his daughter back.

How often do things happen in our life and we forget to incorporate God in the mix immediately. God does, in now way shape or form, need us. He can do whatever He chooses. He chooses to act upon our faith. The father believed, the woman with hemorrhages believed and both had their faith rewarded.

It drives me up a wall whenever I hear someone who has no faith tell me “How could God allow this or why did God make this happen?” My response is that you never brought God into it in the first place so you have no right to blame Him now. Very few things annoy me—That is #1!

We are called to live our life in Love with God and everyone He brings into our life. The world is full of people trying to make it on their own, it never bodes well!  
Have a great week!

*Love,*

*Fr. Mike*
