Health Ministry:

This Year for Lent, Don't Give Something Up. Take Something On.

This year why not celebrate Lent backwards? Instead of giving something up, take something on. In a way, you will still be giving up something: a little chunk of your time each day.

Here are five simple ideas to try:

- Jot a note.** Jot a quick note each day to one person in your life. At the end of Lent you will have made 40 souls smile.
- Grab your phone.** Once a day during Lent call someone in your life for no other reason than to tell them how glad you are that they are in your life.
- Lighten a load.** Be on the lookout for ways you can lighten the load of someone in your family or at work.
- Help a stranger.** Look for ways to help, like open doors, carry packages, help load grocery bags. Simply do one kind gesture each day of Lent for a stranger.
- Serve a servant.** Who serves you in life? The mail carrier, garbage collector, your child's teacher or principal? Treat them to a little something as a way to serve them and show your gratitude.

Enjoy your reverse Lenten season!

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Isaiah 49:14-15

This section of the book of Isaiah deals with a time when the Jewish people were in exile in Babylon and were complaining that God had forgotten them. God responds to this, and it is one of the times when we hear God speak as a mother. (It is helpful to know that the word "Zion" used in this passage often refers to Jerusalem, or the Jewish people.)

Second Reading - 1 Corinthians 4:1-5

In today's reading, Paul continues to address a major problem in the Corinthian Church. Personality cults had developed and people were attaching themselves to various preachers - some to Paul, some to Peter, some to Apollos. Paul responds that all ministers of the Gospel work on *God's* behalf - not on their own.

Check out our NURSERY available in the St. John Center during the 10:30 AM Mass.

St. John XXIII

Catholic School Pre-K to Grade 8

by Dawn Pickerill / Principal

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

LENT

Ash Wednesday starts on March 1st. We invite all of you to join us for Mass here at school at 8:15 on that day.

Our service project for Lent is collecting money for Fr. Edie's Fish Farm. Fr. Edie lives in Uganda where the life span of the majority of parents is short, leaving many children without help. Fr. Edie reports that the children he serves are blessed despite the plight of being orphans. The fish farm is a way to provide food and income to support the needy children. It teaches the children practical skills to help them provide for themselves as adults. This is a partnership that was started several years ago and it not only includes our collecting and sending money to Uganda, but also,

Fr. Edie coming to our school once a year to tell the children what their money is used for. We are excited to see if we can fill up our fish tank by the end of Lent.

Last year's preschoolers donating to the fish tank.
