Our Prayers and Sympathy are Extended

to the family and friends of Rita Jasper Martorana who died May 30th, Salvatore Graci who died June 2nd, Tisha Back who died June 3rd, and Patricia Wolf who died June 7th.

In Your Prayers Remember Garth Farler in Atrium Medical Center this week.

Health Ministry:

Things Not to Say to Your Child

Sometimes we all say the wrong things which often have been passed down through generations. Let's try to ease these common, often hurtful phrases from our vocabulary.

"Leave me alone." Said often, a child may internalize it and be less likely to tell you things when they are older. **"You're so..."** Do not label. Negative labels can become a self-fulfilling prophesy. **"Why Can't You Be More Like..."** Do not compare, for it almost always backfires. **"Stop it or I'll..."** **"Wait til your dad gets home!"**

Multiple threats are rarely effective. Sooner or later you have to make good on the threat. **"Great job."** When praise is vague and used too often it becomes meaningless and kids tune out. Praise only accomplishments that require real effort. Don't say **"Yes"** all the time. Children need limits. Love is not giving into your child's every desire. **"Don't cry."** **"Don't be sad."** **"Don't be scared."** May send the message to children that their emotions aren't valid. Help them name their feelings. The list goes on: **"You're stupid."** **"You're fat."** **"You'll never amount to anything."** **"I can't forgive you."** **"I'm ashamed of you."** **"I'm disappointed in you."**

And the beat(en child) goes on.

OUR NEXT ONE IS NEXT MONTH - JULY 30TH!

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Exodus 34:4-6, 8-9

When Moses saw the Israelite people worshipping the golden calf, he angrily threw down and broke the tablets containing the commandments. Later, God instructed him to cut two new tablets. Today's passage begins at that point, and offsets the mistaken notion that the Old Testament always presents a stern and angry God.

Second Reading - 2 Corinthians 13:11-13

This passage is the ending of Paul's second letter to the Corinthians. The Church chose this passage for Trinity Sunday because the final sentence mentions all three persons of the Trinity. That sentence is also used as one of the greetings at the beginning of Mass.

A St. Vincent de Paul Outreach Profile

Misty and Daniel are a young couple who are parents to four children and have recently moved into their first "real home" in a large apartment complex in Middletown. When I first met Daniel at the initial home visit, Misty was with their 6-year-old son at Children's Hospital in West Chester. He had had a seizure which was a new condition for their son and since they have only one car, Daniel was unable to work that day and needed to care for their infant son. Misty is the usual caregiver, although it was apparent Daniel knew what he was doing. Daniel works every day the weather permits cutting grass and doing light landscaping. His employer is an older gentleman and he and Daniel are the only employees of the older gentleman's small business. On days when Daniel is able to work, they get all of the children ready, drop Daniel at his first appointed cutting job, and then Misty takes the older children to school. Everything in their home had been given to them by friends or acquaintances. The home was very neat, clean, and uncluttered. SVDP was able to provide a single and a double donated beds with all the bedding plus kitchen items. Misty's specific request was for a cookie sheet so she could bake cookies for her children. These two adults have seen hard times, but are thankful they finally have a home for their family. And although they know this is not their forever home, each of them referenced gratitude to God for the blessings they have and for opportunities they have been given. It is apparent to me that they each have the hope, desire, and ability to go forward and create the future they see and want for their children and themselves.

by Dawn Pickerill / Principal

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

IT'S A WRAP

Friday, May 26th was our final day of school for the 2016-2017 school year. In addition to graduating 50 Grade 8 students, we also ended our year with awards ceremonies. Over the next month, I will be highlighting some of the awards that are given, as well as the students who received them.

Vivian McConnell Volunteerism Award

For the second year in a row, the McConnell family has generously funded the money for us to give out the Vivian McConnell Volunteerism Award. Vivian McConnell was an amazing woman who truly believed the Biblical verse which states: *"Everyone to whom much as been given, much is required."*

This award is given to a current 7th grade student or students and provides up to \$1,000 towards their 8th grade tuition at St. John XXIII Catholic School. All 7th grade students were required to compose an essay on volunteerism. These essays were "blind" scored by a committee of teachers without their knowledge of the writers of the essays. There was a tie between two essays this year so the award was split into two \$500 scholarships.

Congratulations to **Clara Faulkner** for her winning essay entitled, *Volunteerism; Transforming our Millennials* and **Keeli LaCroix** for her essay entitled, *God Given Opportunities*.

Fenwick Class of 1956!

Sr. Sarah Mulligan in town Friday, June 16th!

Sr. Sarah would like to visit with her classmates this Friday, June 16th. Join her for lunch at 11:30 a.m. at Forest Hills County Club. If you have yet to be contacted or have not confirmed your attendance, please call Alice Sprague 513-360-7845.

Occasional Companion Wanted

Would you be interested in providing in-home companionship for an elderly female parishioner while other family members need to be away for several hours at a time? This person would not need to be a medical or licensed caregiver, just a friendly person to visit with, perhaps watching TV or playing cards. For more information, including compensation, call Diane Roark 513-422-5354.

Let's Go to the Movies

Saturday, June 17th

Flag Day - Wednesday, June 14th

The Fourth Degree of the Knights of Columbus is the Patriotic degree and we are proud of our devotion to God and country, and believe in standing up for both. Whether it's in public or private, the Knights remind the world that Catholics support their nation and its flag. We Americans love our flag!

The United States of America is the only country that pledges its allegiance to its flag and not a leader or the country itself. Likewise, our National Anthem is about the flag that represents our great country and each of us. Flag Day is celebrated on June 14th. It commemorates the adoption of the flag of the United States, which happened on June 14, 1777, by resolution of the Second Continental Congress. But the idea of an annual day specifically celebrating the Flag is believed to have first originated in 1885. A Wisconsin schoolteacher arranged for the pupils in the Fredonia Public School to observe June 14 as America's 'Flag Birthday.'

The Pledge of Allegiance to the Flag of the United States originated on Columbus Day, 1893. It contained no reference to Almighty God until, in New York City on April 22, 1951, the Board of Directors of the Knights of Columbus adopted a resolution to amend the Pledge of Allegiance by the addition of the words "under God" after the words "one nation". At its annual meeting on August 20, 1953, the Supreme Council of the Knights of Columbus sent copies of this resolve to the President, Vice President, Speaker of the House, and to each member of both Houses of Congress. The resolution was adopted by both Houses of Congress, and it was signed by President Eisenhower on Flag Day, June 14, 1954, thereby making official the amendment conceived, sponsored, and put into practice by the Knights of Columbus more than three years before.

- There have been 27 official versions of the American flag.
- On July 4, 2007, the present 50-star flag became the flag in longest use, surpassing the 48-star flag that was used from 1912 to 1959.
- There are flags on top of Mt. Everest, at the North and South Poles, as well as on the Moon.
- If it touches the ground, it doesn't have to be discarded, it can be washed.
- If it is too soiled or physically damaged it then has to be destroyed by burning.
- If you have an American flag that needs to be disposed of, you can take it to an American Legion or VFW Post or give it to a Knight of Columbus who will see that it is done properly and respectfully.

For more American Flag information please visit the following link for the Knights of Columbus United States Flag Manual: https://www.kofc.org/en/resources/service/council/4686_5-06_5-26.pdf. **The Knights will be passing out small American flags to our young patriots (school kids) after the 9:00 AM and 10:30 AM Masses today!**
