Health Ministry:

Beware the Yellow Jacket

(We're not talking clothes.)

Often confused with bees, but lack the fuzzy coating of hair on their black and bright yellow striped bodies, these Yellow Jackets (ground nesting wasps) are much more aggressive. Their sting is very painful and they're capable of stinging more than once. They thrive on protein and sugar and so arrive at our picnics to dine with us. Preventing Stings: * Don't swat - just walk away.

* Pour canned drinks into a glass to prevent the wasp from flying into the can. * Keep garbage can and dog food covered. * Observe the flight pattern to determine nest site, then avoid it. * If stung, get away quickly. The insect may leave behind a chemical that incites other Yellow Jackets to attack. Seek Medical Help If: * Allergic or if stung 10 or more times. * If stung in mouth or throat. * Have any symptoms like trouble breathing or speaking, wheezing, swelling of mouth or throat, develop hives or rash.

Ease Pain: * Use commercial sting remedy or one of these homemade concoctions: paste of baking soda and water, cut side of onion, damp tea bag, meat tenderizer with papain, toothpaste, or Preparation H! * Then there is always ice, aspirin, ibuprofen to reduce swelling and ease pain. *AnimalSake/Gardener's Supply*

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

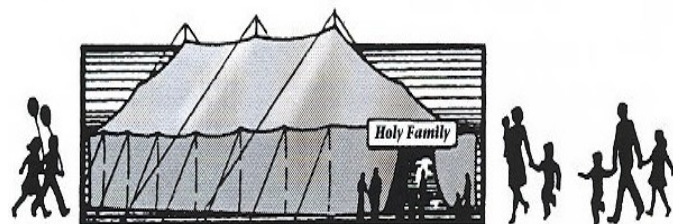

First Reading - Isaiah 56:1, 6-7

The last part of the book of Isaiah contains the words of a prophet who lived after the Jews returned from exile. Today's passage speaks of salvation being offered to all, regardless of ethnic origin or social condition. Christians have seen in this an anticipation of the message that Jesus will preach.

Second Reading - Romans 11:13-15, 29-32

Today's reading is the conclusion of Paul's thoughts about how Jewish people are going to participate in the saving grace of Jesus. Paul was Jewish and he loved his own people. He was disappointed that most of them had not accepted the Gospel. Paul hoped that his success in converting the Gentiles would encourage the Jewish people to take a second look at the message of Jesus.

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

BACK TO SCHOOL PRAYER

Our Father in heaven,

We're nearing another changing of seasons. Summer is winding down, and a new school year is beginning - just like it did last year, and the year before. Through this predictable repetition in our calendar and Your creation, we see Your faithfulness. Help us to look at the sunrise and remember that You always keep Your promises.

As we approach another transition sending our kids back to school, conflicting emotions wrestle within us. New fears jostle with new hopes. We're happy to send our children back to the classroom, and sad to see them go. We delight in their excitement, and worry with them over the unknown.

Calm our hearts, Lord, and give us a peace that passes understanding.

Amen
