Health Ministry:

"Anxiety is a Shower of What-ifs"

Anxiety is a fear or nervousness about what might happen. It is over-thinking and over-analyzing every little irrelevant thing. You may feel restless and constantly distracted and at other times your mind goes blank. Often simple decisions become difficult. Here are some ways to stop feeling anxious right now.

1. Stay in your time zone - the present.
2. Breathe deeply. This helps to slow down and re-center your mind.
3. Follow the 3-3-3 Rule. Look around and name 3 things you see, name 3 sounds you hear, and finally move 3 parts of your body. This helps you center your mind and bring you back to the present.
4. Stay away from sugar, for too much of it worsens feelings of anxiety.
5. Explain your worries to a trusted friend. Often concerns expressed aloud or written down can help you to see them clearly for what they are.

"The presence of anxiety is unavoidable, but the prison of anxiety is optional."

Please Note! Special School Masses this Week!

We're canceling the 12:10 PM Masses on Wednesday and Thursday this week as Fr. Civile is presiding at two special school Masses. On Wednesday he'll be celebrating an all school Mass at Fenwick at 11:17 A.M and on Thursday we'll have the St. John XXIII Grandparents Day Mass at 8:30 AM at St. John Church. **Parishioners are welcome to attend both Masses!** Please consider attending a school Mass. As enjoyable as it is for adults to celebrate the Mass with the kids, it is important for the students to see adults sharing in this sacred act of worship. *Fr. Civile*

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Ezekiel 33:7-9

Ezekiel was an Old Testament prophet who ministered to the Jewish people exiled in Babylon. In this passage, the speaker is God who uses the image of a watchman to describe a prophet's role. In those times, a watchman was someone who stood on a hill or in a tower to watch for invaders.

Second Reading - Romans 13:8-10

In the concluding section of his letter to the Romans, Paul writes about the moral demands of Christian life. This letter was written some years before the Gospels, yet these words will sound very much like words we hear in the Gospels. Clearly, Paul is drawing upon a pre-Gospel tradition about what Jesus said.

SVDP Outreach Ministry - A Personal Story

This month we share a story not about someone whom we have been blessed to help, but we will happily share our experiences with three Hope House residents who have been blessed to help us! Since we frequently assist Hope House graduates, we requested that some of their residents assist us only when our own volunteers could not number a whole team. Shirene, who is the social worker and job placement specialist at Hope House, came through every time we have requested help. Gurney and James helped us load and unload one of our small storage spaces onto trailers and into our new space. Both men were hard working, pleasant, cooperative, and eager to help. Both attend Cincinnati State downtown and attend counseling and rehab programs sponsored by Hope House. George helped us last week and was equally efficient in everything we asked him to do. Actually, he is a delightful guy who was spending his afternoon on a visit with his two small children. These three men are accomplishing success in hardships most of us can only imagine. Many of them are studying with hopes to become drug and alcohol counselors. We have come to know many of these graduates by donating furniture and home goods and we celebrate their efforts to move forward to a successful life. *Your support is making a difference! Thank you!*

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

ONE FAITH, ONE HOPE, ONE LOVE

Our most recent payment from the One Faith, One Hope, One Love campaign arrived last month. As promised, we used the money (\$35,997.54) for debt reduction on our building. Our loan to Bishop Fenwick is now down to \$450,592.81. As always, thank you for your generosity!

MAGAZINE DRIVE

We kicked off our Annual Magazine Drive on Friday and it will run until October 4th. For more information, see a St. John XXIII student or call the school office.

WEEKLY ALL SCHOOL MASS

We so enjoy having parishioners attend our weekly Mass on Tuesdays at 8:15. We'd like to show our thanks and appreciation by providing coffee and danish for the attending parishioners after Mass on Tuesday, September 26th. Please plan on staying, visiting and receiving a tour of our new chapel. I think you will see many items in the chapel that look familiar to you and will bring back memories of days gone by.

MARKETING UPDATE

While we continue to run ads in various magazines and send out promotional material, we know that word-of-mouth is our best marketing tool. Thank you for continuing to spread the good news of St. John XXIII Catholic School. We want to continue to grow and provide a solid Catholic education for all who desire this.
