Necklace Found at Picnic!

A pink heart locket on a silver chain was turned in as lost during the Parish Picnic on September 10th.

We have it at the parish office 422-0602.

Health Ministry:

Why We Need to Stop Chasing Success and Start Enjoying the Little Things in Life

The philosopher Alan Watts always said that life is like a song, and the sole purpose of the song is to dance. He said that when we listen to a song, we don't dance with the goal of getting to the end of the music. We dance to enjoy it. This isn't always how we live our lives. Instead, we rush through our moments, thinking there's always something better, there's always some goal we need to achieve. *"LIFE SHOULD BE EASY AND FUN, EFFORTLESS, BUT WE RARELY LET IT BE WHAT IT IS."* We're always striving for more, never satisfied with where we are. More is always better. Happiness and fulfillment are always just out of reach. When we're growing up, we strive to finish high school. Then the goal is college, then grad school. We have a family, and we live through the challenges of life, but we never stop to realize the grace in each moment. We never dance. *"EXISTENCE IS MEANT TO BE FUN. IT DOESN'T GO ANYWHERE - IT JUST IS."* The song is still playing, and it's never too late to live in the present and enjoy the dance.

Introductions to Sunday Readings

*by Bishop Ken Untener, in collaboration
with Catherine Haven and Fr. Bill Taylor*

First Reading - Isaiah 55:6-9

The prophetic words in today's reading were spoken
during the Israelite's exile in Babylon. Earlier, the
prophet had proclaimed that God was looking
mercifully upon them and would soon free them.
In today's reading, the prophet points out that they
now have a window of opportunity and should take
advantage of God's willingness to forgive.

Second Reading - Philippians 1:20-24, 27

For the next four weeks, our second reading will be
taken from Paul's letter to the Philippians. When
Paul wrote this letter, he was in prison for preaching
the Gospel, and he faced the possibility of execution.
A person in those circumstances tends to think long
thoughts about death, and death is what Paul is
wrestling with in today's passage.

**Rosary Rally Celebrating the
100th Anniversary of Fatima**

1 PM Saturday, Oct 7th Holy Trinity

Please join us as we celebrate the
100th Anniversary of Fatima with a public Rosary Rally
here in our own parish. Deacon John Lyons will lead
the Rosary on the grounds just in front of Holy Trinity
Church. We'll hand out rosaries and offer a variety of
free rosary resources. Bring a lawn chair if you'd like!

Small Group Study Starting Up Again Soon!

Week of Oct 8th - Week of Nov 12th

This fall, small groups continue with
Loyola Press "Proverbs: Wisdom for Living."
Proverbs' wisdom is made accessible to all
in this highly practical Bible study book about making
smart decisions in all areas of life. *Six Weeks with the
Bible* provides an inviting starting point for busy
adults who want to study the Bible but don't know
where to begin. Each guide is divided into six
concise, 90-minute segments that introduce one
book of the Bible. All biblical text is printed in the
guides, which means no additional study aids are
required. If you have participated in small groups in
the past, your facilitator should be contacting you.
If you'd like to sign up with an existing group or form
your own, please call the parish office 422-0602.

Drone Technology in Use at Holy Family!

Parishioners **Steve Bohannon** and his son, **Kyle Bohannon** were kind enough to use their drone technology and expertise to get an aerial view of Holy Trinity Church! Typically, Steve and Kyle use the drone in their family business - Bohannon Roofing Co. Inc. - but were willing to fly the drone with camera gear to check up on the activities of a very adventurous squirrel who

has been seen climbing to the roof with obvious nesting in mind! With this technology, no expensive scaffolding was necessary - and they were able to report that the roof looked clear. We really appreciate their willingness to help us out!
And it was really, really cool!

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

GRANDPARENT'S DAY

On Thursday, September 14th, we celebrated our grandparents in a very special way. Our day started with Mass at St. John's Church with Fr. Civile presiding. After mass, everyone returned to St. John XXIII where we provided a catered, continental breakfast. The students then took their grandparents on a tour of the school and introduced them to the adults that they interact with on a daily basis.

In preparation for the day and the remarks that I gave to the grandparents after mass, I interviewed the kindergarten and the Grade 8 students as to why grandparents were so important that they deserved a special event such as this. Answers that were common among both groups were: the fact that grandparents bought them things, gave them money, NEVER forgot their birthdays, were really good cooks, liked going out for ice cream, always had time to spend with them, always showed up for their extracurriculars, (dance, sports, awards, concerts, etc...) and were easy to talk to. Both age groups agreed that they liked spending time with their grandparents MORE than they liked spending time with their parents – what a tribute!

It is our hope that this time provided the grandparents with a sense of the values that guide our school, the pride that we place on our school, and the love that we feel for everyone in our St. John XXIII family.
