Health Ministry:

Get Ready...Get Set...

Yard Care Safety!

Sometimes the obvious is overlooked. We can't expect our bodies to perform strenuous physical tasks when most of our time involves sedentary jobs. Here are some tips for preventing or at least reducing the pain or damage associated with yard work.

- * Wear gloves when working outside.
- * Know limits of what you can lift/carry.
- * Use long-handled tools. This will reduce the need to bend, reach or stretch.
- * Avoid prolonged repetitive motions which cause skin, tendon or nerve irritation or pain.
- * Slow down. Take a break. Rotate various tasks every 15 minutes so the same muscles won't be used over and over again. Take brief rest periods in-between.
- * If you must kneel, use foam knee pads.
- * Keep tetanus shots up-to-date.
- * Be extremely cautious using chemicals.
- * Stay well hydrated and limit time in the sun.
- * Take your time. You don't need to do it all at one time.
- * Listen to your body; stop doing what hurts.
- * Don't become a "yard work casualty."

And keep an ice pack handy in case you don't listen! Amateur Gardening/Dengarden/Gardening Safety

Introductions to Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Acts 4:32-35

Luke wrote a two-volume work: Volume One was his Gospel; Volume Two was the Acts of the Apostles which describes the life of the Church after the Resurrection of Jesus. Every year, during the seven weeks of the Easter Season, the first reading is taken from the Acts of the Apostles. In today's passage, Luke gives an idealized description of early Christian community life.

Second Reading - 1 John 5:1-6

Today and for the remaining Sundays of the Easter Season, our second reading will be taken from the first letter of John. It was written about 100 A.D., and is one of the last New Testament books to be composed. This letter was written in the tradition of the apostle John and thus bears his name. Today's passage from near the end of this brief letter treats the fundamentals of Christian life: faith, love, and the commandments.

Coffee, Juice and Donuts Next Sunday

Coffee, juice and donuts will be served after the 10:30 AM Mass in the St. John Undercroft next Sunday, April 15th. Please join us!

A Big "FISH FRY" Thank You!

Your attendance and support helped us raise money for the Knights' charities and for St. John XXIII Catholic School and you helped us in our on-going ministry of building community here at Holy Family Parish and in Middletown. We had a great season thanks also to so many volunteers! Thanks again and we'll see you next year!

St. John XXIII

Catholic School Pre-K to Grade 8

by Dawn Pickerill / Principal

TRADITIONAL VALUES. EXCEPTIONAL EDUCATION.

St. John XXIII represents 150 years of Catholic Education dedicated to encouraging and developing well-rounded, self-confident and compassionate children and young adults who lead successful, mindful, service-driven lives. Our school community is the foundation on which our core principles of faith and hard work bind us together as a family.

If you are interested in a Catholic education that provides a challenging, structured and thoughtful learning environment led by highly qualified and experienced teachers, contact Principal Dawn Pickerill at 424-1196 for a meeting and a tour of the school.

SPRING BREAK

While the students enjoyed an extra long spring break, the teachers spent two days at the National Catholic Educators Association Conference which was held in Cincinnati. At the conference they were able to attend various professional development sessions on a variety of topics such as Developing Faith and Spirituality as Catholic School Leaders, Using Technology and Formative Assessment to Meet the Needs of a Variety of Learners, Learning to Code with iPad, and Space Science – A Middle School Teacher Hands-on Approach.

The conference started with Mass on Tuesday which was celebrated by His Eminence Cardinal Giuseppe Versaldi. Later in the day, Cardinal Versaldi conveyed greetings from Pope Francis plus shared his own reflections on world-wide Catholic education.

It was a wonderful two days of education for us, and we look forward to bringing all that we learned back into the classrooms.

SVDP Outreach Ministry - A Personal Story Showing How Your Donations Do Help!

An unusual request came our way the first part of March. St Susanna's SVDP was working with one of their parishioners, Kim, a 28-year-old widow with 3 children. She was living in a very substandard trailer and was looking for help with her utility bill. The SVDP volunteers decided they could better help the family by getting them into a safer environment. The owner of the trailer park was willing to help them find a new trailer and SVDP started a GoFundMe page with a goal of \$15,000. Somehow Channel 12 got the story and filmed a segment. All of a sudden, the GoFundMe page had \$19,000 in contributions but the trailer park owner was no longer so helpful. He didn't like the bad publicity about the horrible conditions in Kim's trailer and he responded by evicting her and the children. They landed in a new trailer on Rte. 4 and our SVDP was asked to furnish her new place. We happily did so and even took Kim and kids to spend their vouchers at the SVDP Thrift Store. They bought household items and a table and chairs. Channel 12 came back and did a follow up story about the generosity of neighbors. Thanks to the teamwork of the local Catholic community they have a safe place to live and to grow. We've invited Kim to attend Holy Family, since it's much closer now than St Susanna's. She may try us one weekend, just as a way to say "thanks" for our help.
